"Wake Up, Mr. West" Joshua K. Wright, 2022-01-27 Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success and between being not black enough for the black community or too black to appeal to a broader audience Few know this tightrope walk better than Kanye West who transformed hip hop pop and gospel music redefined fashion married the world's biggest reality TV star and ran for president all while becoming one of only a handful of black billionaires worldwide Despite these accomplishments his polarizing behavior controversial alliances and bouts with mental illness have made him a caricature in the media and a disappointment among much of his fanbase This book examines West's story and what it reveals about black celebrity and identity and the American dream

Church Laws and Ecumenism Norman Doe, 2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch

of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers

The Best Available Evidence Paul Newton, David Burgess, 2016-07-15 In The Best Available Evidence Decision Making for Educational Improvement the editors and contributing authors explore the intricacies of working with data and evidence for the purpose or organizational development in educational institutions A broad theme that runs throughout this book is the need for policy makers and practitioners to be informed and critical consumers of educational research The chapters in this volume explore quantitative qualitative narrative and practitioner research approaches and explore the implications for evidence use in educational improvement efforts Many current texts provide an instrumental resource for educational leaders for use in designing road maps for improvement As such these texts offer a perspective based on assumptions that educational personnel are the recipients of predetermined knowledge and evidence and it is the task of instructors and teachers to implement received knowledge of best practice In this book we suggest that teachers instructors educational leaders and policy makers are equally engaged in the creation of knowledge and the establishment of improvement objectives Further we address questions concerning what constitutes improvement how practitioners and policy makers can assess the utility and veracity of evidence and how evidence might be considered in productive and ethical ways This volume is intended for a broad readership of teachers post secondary instructors graduate students educational leaders and policy makers Finally this book will combine K 12 perspectives on educational improvement with perspectives from the research on post secondary improvement
