

MINI-BIKE Operator's Manual

HOW TO ORDER REPAIR PARTS

Manco replacement parts are usually available from dealers selling Manco vehicles. Because of immediate availability and convenience it is advisable to order replacement parts from an authorized dealer. Take this manual and all supplements to the dealer when ordering parts in person.

If replacement parts are not available from a local authorized Manco dealer they may be ordered directly from the factory* at the address listed below. When an order is received at Manco it is priced and returned to the customer for payment. Upon receipt of the customer's money order, the ordered parts are processed and shipped promptly. Orders may be subject to a minimum order fee.

*Except engine parts — for engine parts, repairs or warranty claims see the Engine Owner's Manual. Check the phone book yellow pages under "Engine — Gasoline" for an authorized engine dealer.

Record the model number and serial number of the vehicle in the spaces provided below for reference when ordering replacement parts. The Manco model number of the vehicle is included in the parts list and the exploded view illustration in the Operator's Manual supplement.
