Joy In Mudville:

Joy in Mudville Bob Raczka,2014-04-01 It had been only twenty four hours since Mighty Casey struck out plunging fans of the Mudville team into gloom and despair But a new game day dawned and Casey once again proved his might with a homer in the eighth The Mudville nine took a one run lead but in the bottom of the ninth their hurler walked three straight Bases loaded and the starting pitcher spent the Mudville manager was not bullish about his bullpen With the game on the line he called for rookie Joy Armstrong to take the mound Could she bring joy to Mudville again and prove that a girl can play ball as well as any boy

George Weiss Burton A. Boxerman,Benita W. Boxerman,2016-08-08 The New York Yankees were the strongest team in the majors from 1948 through 1960 capturing the American League Pennant 10 times and winning seven World Championships The average fan when asked who made the team so dominant will mention Joe DiMaggio Yogi Berra Whitey Ford or Mickey Mantle Some will insist manager Casey Stengel was the key But pundits at the time and respected historians today consider the shy often taciturn George Martin Weiss the real genius behind the Yankees success Weiss loved baseball but lacked the ability to play He made up for it with the savvy to run a team better than his competitors He spent more than 50 years in the game including nearly 30 with the Yankees Before becoming their general manager he created their superlative farm system that supplied the club with talented players When the Yankees retired him at 67 the newly franchised New York Mets immediately hired him to build their team This book is the first definitive biography of Weiss a Hall of Famer hailed for contributing as much to baseball as any man the game could ever know

Bound Together Chris Brauns,2013-03-05 We are not just isolated individuals Instead our lives are woven together with others We have solidarity with other people the choices one person makes affects the lives of others for good and for bad Because much of the pain we endure in life is in the context of relationships this truth often strikes us as unfair Why should a child suffer because of the choices of his parents And on a grander scale why do we all suffer the curse of Adam s sin Why should anyone be judged for someone else s sin In *Bound Together* Chris Brauns unpacks the truth that we are bound to one another and to the whole of creation He calls this the principle of the rope Grasping this foundational principle sheds new light on marriage the dynamics of family relationships and the reason why everyone lives with the consequences of the sins that others commit Brauns shows how the principle of the rope is both bad news and good news revealing a depth to the message of the gospel that many of us have never seen before
