Joy For Beginners Erica Bauermeister:

Joy For Beginners Erica Bauermeister, 2011-06-09 From national bestselling author of Reese Witherspoon's Book Club pick *The Scent Keeper* comes a beautifully crafted novel about daring to experience true joy starting one small step at a time. Having survived a life-threatening illness, Kate celebrates by gathering with six close friends. At an intimate outdoor dinner on a warm September evening, the women challenge Kate to start her new lease on life by going white water rafting down the Grand Canyon with her daughter. But Kate is reluctant to take the risk. That is until her friend Marion proposes a pact: if Kate will face the rapids, each woman will do one thing in the next year that scares her. Kate agrees with one provision: she didn't get to choose her challenge, so she gets to choose theirs. Whether it's learning to let go of the past or getting a tattoo, each woman's story interweaves with the others, forming a seamless portrait of the power of female friendships. *Joy for Beginners* takes us on the emotional journeys of seven women seeking to transform their lives and proves that sometimes what we really need to inspire us to change is a good firm shove. Garth Stein, author of *The Art of Racing in the Rain*

The Firelight Girls Kaya McLaren, 2014-10-14 The past and present collide as five women work to save the summer camp of their youth in this heartwarming novel from Kaya McLaren. *The Firelight Girls*: The summers you spend at summer camp are indelibly etched on your heart. But what happens when the camp you love is about to close? Can you ever really say goodbye to the place that made you who you are? These are the questions that plague Ethel, the seventy-year-old former camp director who is nursing a broken heart after losing the love of her life as she now faces the impending closure of the camp on Lake Wenatchee that she called home. It's also a question that inspires change in forty-year-old Shannon, who spent the summers of her youth as a vibrant, capable camp counselor and is now directionless after watching her career implode. And there's Laura, who has lost all intimacy with her husband and doesn't know if she can save what seems to be gone forever. Finally, Ruby, who betrayed Ethel years ago and hasn't spoken to her since, hopes this will be her chance to make amends. When the four women learn that a homeless teen has been hiding at camp, they realize camp is something much more immediate for all: survival. And so the three generations of women search for a way to save the place that saved them all, finding in the process a way back to themselves and each other in *The Firelight Girls*. Kaya McLaren's novel of love and loss, heartbreak and healing.
