novelist Joyce Cary 1888 1957 A Fearful Joy Joyce Cary, 2011-04-12 This ambitious novel covering the life of an exceptional woman from her Victorian childhood until after the Second World War is an attempt in the author's own words to lay bare historical change not just at the surface but in its roots Seduced when young Tabitha leads a terrible existence until she is taken up by Sturge a wealthy patron of art and becomes a famous hostess of the Yellow Book period loved by artists and writers alike Her second marriage to Sir James Gollan an old industrialist who instead of retiring becomes an important national figure in the First World War completely changes her life once again The novel in fact is full of change for every decade emerges in an immediate and living manner as the setting against which the absorbing lives of the heroine and those about her are described It is a very good novel I think it may be a great novel sensitivity to human relationships and a sense of form which we have missed since E M Forster grew silent News Chronicle Joyce Cary Joyce Cary, 1976 **Joyce Cary and the Dimensions of Order** Michael J.
