Jirard, 2018-12-25 Written by a former federal prosecutor and public defender *Criminal Law and Procedure A Courtroom Approach* introduces students to the essentials of criminal law and procedure by illuminating the legal issues justice professionals face before during and after a criminal trial Through the examination of statutes edited case excerpts and recent constitutional interpretation of black letter law the text bridges the gap between learning criminal procedure and applying criminal law Drawing from author Stephanie A Jirard s vast experience in both the courtroom and the classroom *Criminal Law and Procedure* gets students to think critically about real world issues and practice applying the law in a just and meaningful way Accessible and engaging this text presents criminal law and procedure as an exciting opportunity to have a direct positive impact on our communities and the criminal justice system *United States Code* United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States
