Some are using tools like hammers and chisels on stone blocks, while others are moving materials with wheelbarrows or a small truck. The ground is cluttered with stone blocks, wooden planks, and large earthenware jars. A high, thick stone wall under construction dominates the middle ground. In the background, a city with a prominent blue-domed temple and other buildings is visible on a hillside. Two large cranes are positioned on either side of the city, suggesting the use of modern machinery in this historical setting. The overall scene is one of active reconstruction and labor.
