Cosgrave** Michael Laffan,2014 Cover Table of Contents The President Becoming a Politician 1880 1913 Fighting for Independence 1913 21 Defending the Treaty 1921 3 Building the Free State 1923 7 Confronting Fianna Fáil 1927 32 Leading the Opposition 1932 44 The Elder Statesman 1944 65 Endnotes Picture Credits Index Constitutionalism in Ireland, 1932-1938 Donal K. Coffey,2018-05-17 The first of two volumes this book examines constitutionalism in Ireland in the 1930s Donal K Coffey places the document and its drafters in the context of a turbulent decade for the United Kingdom the Commonwealth and Europe He considers a series of key issues leading up to its drafting including the failure of the 1922 Constitution the rise of nationalism in the 1920s and 1930s and the abdication of Edward VIII He sketches the drafting process examines the roles of individual drafters and their intellectual influences and considers the Constitution's public reception both domestically and internationally This book illuminates a critical moment in Irish history and the confluence of national Commonwealth and international influences that gave rise to it for scholars of Irish history as well as of legal constitutional and Commonwealth history more broadly America and the Making of an Independent Ireland Francis M. Carroll,2021-01-05 Examines how the Irish American community the American public and the American government played a crucial role in the making of a sovereign independent Ireland On Easter Day 1916 more than a thousand Irishmen stormed Dublin city center seizing the General Post Office building and reading the Proclamation for an independent Irish Republic The British declared martial law shortly afterward and the rebellion was violently quashed by the military In a ten day period after the event fourteen leaders of the uprising were executed by firing squad In New York news of the uprising spread quickly among the substantial Irish American population Initially the media blamed German interference but eventually news of British propagated atrocities came to light and Irish Americans were quick to respond America and the Making of an Independent Ireland centres on the diplomatic relationship between Ireland and the United States at the time of Irish Independence and World War I Beginning with the Rising of 1916 Francis M Carroll chronicles how Irish Americans responded to the movement for Irish independence and pressuring the US government to intervene on the side of Ireland Carroll's in depth analysis demonstrates that Irish Americans after World War I raised funds for the Dáil Éireann government and for war relief while shaping public opinion in favor of an independent nation The book illustrates how the US government was the first power to extend diplomatic recognition to Ireland and welcome it into the international community Overall Carroll argues that the existence of the state of Ireland is owed to considerable effort and intervention by Irish Americans and the American public at large **Letters of the Catholic Poor** Lindsey Earner-Byrne,2017-01-11 A pioneering new history from below of Irish poverty told through the letters of the Catholic poor in Independent Ireland Walled in by Hate Arthur Mathews,2024-05-09 In July 1927 at just thirty five years old Kevin O Higgins was assassinated on his way to Mass in Booterstown Co Dublin A reviled figure for anti Treaty republicans O Higgins became the target of particular venom for his

vocal support of the Free State government's execution policy during the Civil War which saw seventy seven IRA men die before firing squads including the best man at his wedding Rory O Connor In *Walled in By Hate* Arthur Mathews examines not just the life and death of O Higgins focusing on that most acrimonious time in his life but also those of his contemporaries such as O Connor and Erskine Childers who shaped the course of events around him He also delves deep into O Higgins's relationships with the women around him and chronicles the reactions of the men who killed him subjects that until now have remained largely unexplored One of the most compelling characters to have emerged from the conflict and still the target of vitriol today the tragic story of Kevin O Higgins encapsulates the bitter divisions of a time in Irish history that continue to echo in today's Ireland *John Hearne* Eugene Broderick, 2017-05-15 John Hearne Architect of the 1937 Constitution of Ireland is the first ever biography of the architect in chief and draftsman of the constitution In the six year period that it took to draft the constitution John Hearne was involved at every stage alongside aon de Valera his attitudes and concerns especially with the protection of human rights in a period which saw the rise of dictatorships throughout Europe governed the make up of the fundamental law This law still stands today and reverberates through every call for referendum or repeal John Hearne is the biography of a man later Irish Ambassador to Canada and the United States who masterminded Irish policy nationally and internationally for decades his essential role in the making of the constitution will result in a greater understanding and re evaluation of one of its most defining and controversial documents William T.
