This is the first and last book on  
men's dating advice you'll ever need

- COLIN, REVIEW ON REDDIT.COM

Models is a book on becoming an attractive man  
based not on tricks, tactics, games or techniques,  
but on self-development. Its truths are backed by  
decades of psychological research. Its focus is on  
the emotional process of seduction rather than  
agonizing over logical steps.

Its goal is to create powerful connections with  
women instead of trying to impress them. It's the  
most mature and honest guide on how a man can  
attract women without faking behavior, without  
lying and without emulating others. Stop acting  
like an attractive man and become an  
attractive man.
