Salmon, 2006 Publisher description

Sanctioning Modernism Vladimir Kulic, Timothy Parker, Monica Penick, 2014-06-01 In the decades following World War II modern architecture spread around the globe alongside increased modernization urbanization and postwar reconstruction and it eventually won widespread acceptance But as the limitations of conventional conceptions of modernism became apparent modern architecture has come under increasing criticism In this collection of essays experienced and emerging

scholars take a fresh look at postwar modern architecture by asking what it meant to be modern what role modern architecture played in constructing modern identities and who sanctioned or was sanctioned by modernism in architecture This volume presents focused case studies of modern architecture in three realms political religious and domestic that address our very essence as human beings Several essays explore developments in Czechoslovakia Romania and Yugoslavia and document a modernist design culture that crossed political barriers such as the Iron Curtain more readily than previously imagined Other essays investigate various efforts to reconcile the concerns of modernist architects with the traditions of the Roman Catholic Church and other Christian institutions And a final group of essays looks at postwar homebuilding in the United States and demonstrates how malleable and contested the image of the American home was in the mid twentieth century These inquiries show the limits of canonical views of modern architecture and reveal instead how civic institutions ecclesiastical traditions individual consumers and others sought to sanction the forms and ideas of modern architecture in the service of their respective claims or desires to be modern *North Carolina University Magazine* ,1895 Includes book review section

"Symbolic Essence" and Other Writings on Modern Architecture and American Culture William H. Jordy, Mardges Bacon, 2005 Historian and architectural critic William H Jordy 1917 1997 significantly shaped the way we understand the character and meaning of modern architecture and American culture This collection of his thought provoking essays encompasses Jordy s entire career and includes his signature essay The Symbolic Essence of Modern Architecture of the Twenties and Its Continuing Influence The collection also contains critical writings on works by Ludwig Mies van der Rohe Le Corbusier Louis Kahn and Robert Venturi as well as less well known pieces and one previously unpublished text BOOK JACKET *Art Books 1980-1984* R.R. Bowker Company, 1985 **RIBA Journal** ,2003
