

## MLA Works Cited Basics

Begin the Works Cited list as a separate page after the last page of an essay. The words "Works Cited" should appear at the top of the page, centered, and should not be bolded, underlined, nor italicized. Alphabetize the citations by the author's last name, except in special cases where there is no author listed. All lines after the first line of each entry should be "hanging"—indented one half inch.
