We Are What We Eat Donna R. Gabaccia, 2009-07-01 Ghulam Bombaywala sells bagels in Houston; Demetrios dishes up pizza in Connecticut; The Wangs serve tacos in Los Angeles. How ethnicity has influenced American eating habits and thus the make-up and direction of the American cultural mainstream is the story told in *We Are What We Eat*. It is a complex tale of ethnic mingling and borrowing.

of entrepreneurship and connoisseurship of food as a social and political symbol and weapon and a thoroughly entertaining history of our culinary tradition of multiculturalism The story of successive generations of Americans experimenting with their new neighbors foods highlights the marketplace as an important arena for defining and expressing ethnic identities and relationships We Are What We Eat follows the fortunes of dozens of enterprising immigrant cooks and grocers street hawkers and restaurateurs who have cultivated and changed the tastes of native born Americans from the seventeenth century to the present It also tells of the mass corporate production of foods like spaghetti bagels corn chips and salsa obliterating their ethnic identities The book draws a surprisingly peaceful picture of American ethnic relations in which Americanized foods like Spaghetti Os happily coexist with painstakingly pure ethnic dishes and creative hybrids Donna Gabaccia invites us to consider If we are what we eat who are we Americans multi ethnic eating is a constant reminder of how widespread and mutually enjoyable ethnic interaction has sometimes been in the United States Amid our wrangling over immigration and tribal differences it reveals that on a basic level in the way we sustain life and seek pleasure we are all multicultural **96**
