PLEASE BE SURE TO READ THIS INSTRUCTION MANUAL CAREFULLY AND COMPLETELY BEFORE OPERATING YOUR iTOUCH WATCH.

Thank you for choosing the iTOUCH SmartWatch. Please read the manual before you begin using your iTOUCH. This manual will help you to understand the full functionality and simple operation of your device. The main function of this SmartWatch is as a notifier for your email, text messages and social media apps. It can synchronize your phonebook and offers a variety of practical services to make work and leisure activities that much more enjoyable.

1

- menu>Bluetooth>make sure it is switched on.
- Once you have confirmed that Bluetooth is on, you should see your smart watch in your Devices list. It should show as iTouch. Select this device to connect. You will see a Blue Bluetooth icon on the watch to let you know that you are connected to your device.
- Once the device is connected, open the iTOUCH SW2 app you downloaded and open it.
- Select the plus sign and then select the Bluetooth icon. A new window will pop up. Tap the Start Search button and a list of visible Bluetooth devices will appear. Select your iTouch from the list. A window may pop up if you have already been connected to the iTouch previously asking if you want to ignore Device or Connection. Select ignore Device and the hit ok on the next screen. Select the Bluetooth icon again and you should be taken to the Start Search screen again.
- A window should pop up saying "Bluetooth Pairing Request". Select "Pair" and the phone will pair again with your iTOUCH. You will now see a Bluetooth icon that is half Green and half Blue on your watch letting you know that your device is fully connected.
- Your notifications will begin to load on the watch.

ANDROID™:

- Before you begin, download the iTOUCH SW2 app from the Google Play store.
- Select main menu by hitting the enter key which is the left most icon on the lower part of your watch (Call/Answer in the diagram above).
- Once you have downloaded the app, go to your ANDROID device's settings menu and make sure that your Bluetooth is turned on and that you check the box to make your smart phone visible to other devices.
- Go to the iTOUCH SW2 app you downloaded and open it.
- Select the plus sign and then select the Bluetooth icon. A new window will pop up. Tap the Start Search button and a list

A. Elliott, 2022-11-28 Chance fills every day of our lives and affects every decision we make Yet for something woven so closely into the fabric of our being we are not very good at thinking about uncertainty and risk In this lively and engaging book Andrew C A Elliott asks why this is so He picks at the threads and in showing how our world is built on probability rather than certainty he identifies five obstacles to thinking about uncertainty that confuse us time after time Elliott takes us into the casino but this is not an invitation to gamble He looks at financial markets but this is not a guide to investment There s discussion of health but this is not a medical book He touches on genetics and evolution and music making and writing because chance is at work there too Entering many different fields What are the Chances of That is always following the trail of chance and randomness One purpose of the book is to go cross country to show that there are connected ways of thinking that disrespect boundaries and cut across the domains of finance and gambling and genetics and public health and creativity Through it one visits the vantage points that give a broad view of the landscape and sees how these different areas of life and knowledge are connected through chance What are the Chances of That discusses chance and the importance of understanding how it affects our lives It goes beyond a mathematical approach to the subject showing how our thinking about chance and uncertainty has been shaped by history and culture and only relatively recently by the mathematical theory of probability In considering how we think about uncertainty Elliott proposes five dualities that encapsulate many of the ambiguities that arise
