**The Wizard of College Baseball** David Brauer, 2024-06 Named a Top 20 Best College Baseball Book of All Time by Book Authority No one changed the landscape of college baseball like Ron Fraser The sport enjoyed little national interest until Fraser arrived at the University of Miami in 1963 and built his program into an entertainment empire and a national champion Nationally televised college baseball games on ESPN can be traced back to Fraser's lobbying work in the network's early days His efforts resulted in coverage growth and paved the way to making the College World Series one of ESPN's marquee events He created many one of a kind promotions such as an open heart surgery for one lucky fan redeemable in a five year window and the first mascot devoted to a college baseball team the Miami Maniac Aimed at gaining attention for his program and putting fans in the seats his innovations achieved desired results on both fronts Miami Hurricanes baseball became widely popular as the sport's main draw in South Florida long before Major League Baseball expanded to the market full time Fraser's biggest impact was on the field Before the Miami Hurricanes football program became a household name he put the school's athletics program on the map by winning its first national championship Fraser inherited a floundering baseball program that had no equipment or following and could pay him only as a part time employee he built that program into a perennial national power that made regular appearances at the College World Series Along the way he developed countless players into All Americans MLB Draft picks and eventual Major Leaguers While some coaches have matched his wins and championships none compare to his trailblazing and impact on an entire sport David Brauer traces the roots of modern day college baseball's success to Fraser's work at Miami The Wizard of College Baseball is an inspirational and entertaining reflection on how one man forever changed college baseball accelerating the sport's growth and setting a new standard for modern college baseball well ahead of his time Annual Report to Congress Boy Scouts of America, 1973
