Ministry Of Defence Annual Report And Accounts:

Ministry of Defence annual report and accounts 2008-09 Great Britain: Parliament: House of Commons: Defence Committee,2010-02-24 This report examines the administration expenditure activities and achievements of the MoD during the 2008 09 financial year as detailed in the Ministry of Defence annual report and accounts 2008 09 ISBN 9780102962239 It continues a series of inquiries and indeed the Committee sees it as cause for concern that the NAO found the need to qualify the MoD s resource accounts for the third consecutive year Whilst it is acknowledged that capability in theatre must be the Department s first concern failing to maintain accurate and full information on personnel and to keep track of assets has the potential to threaten the long term capability of the Department including operational capability **Ministry of**

Defence annual report and accounts 2006-07 Great Britain: Parliament: House of Commons: Defence Committee,2008-01-28 This report analyses the Annual Report and Accounts 2006 07 of the Ministry of Defence MoD published as HC 697 session 2006 07 ISBN 9780102946369 The MoD s assessment of its expected achievements against its six Public Service Agreement PSA targets which run until the end of March 2008 has deteriorated since the previous year s Annual Report and Accounts At the end of 2007 the MoD did not expect to meet the target relating to generating forces and expects only partly to meet targets relating to recruitment and retention and defence equipment procurement The failure to meet the target for generating forces is a consequence of the continuing high levels of deployment of the Armed Forces The Committee is concerned that the Armed Forces have been operating at or above the level of concurrent operations they are resourced and structured to deliver for seven of the last eight years and for every year since 2002 Achieving manning balance in all three Service continues to be a challenge Shortages remain within many specialist trades in all three Armed Services but especially in the Army Medical Service The report notes the failure to meet harmony guidelines in the Army and the Royal Air Force another indicator of the pressure on the Armed Forces from the continuing high level of operations and another target missed by all three services is for ethnic minority recruitment The MoD continues to experience substantial forecast cost increases on equipment programmes and the report notes delays in delivering equipment programmes to the planned in service dates The MoD faces difficult choices in the face of expected cuts in the defence programme and the management of a streamlining exercise to reduce civilian posts in the headquarters **MINISTRY OF DEFENCE ANNUAL REPORT AND ACCOUNTS ,2023** *MINISTRY OF DEFENCE ANNUAL REPORT AND ACCOUNTS ,2024* *Service*

Complaints Commissioner for the Armed Forces Great Britain: Parliament: House of Commons: Defence Committee,2009-07 In this inquiry the Committee examines the effectiveness of the current Service complaints procedures based on the findings of the Service Complaints Commissioner Dr Susan Atkins in her first annual report It also examines the Commissioner s evaluation of the support given to her by the Ministry of Defence during the year The report sets out the background to the creation of the role and details the Service Complaints System that is explained to Service personnel in Joint Service

Publication 831 issued December 2008 Finally the Committee considers how the Commissioner has operated in her first year The Commissioner has set clear aims values and objectives for her office understanding the environment of the three Services delivering good customer service ensuring widespread knowledge of the new system establishing a reliable recording system for complaints ensuring effective integration of the SCC and Tri Service systems establishing expectations and requirements and delivering her annual report on time The Committee commends Dr Atkins for her regular and frequent visits to military bases and to operational theatre to gain an understanding of the environment of the three Services and how the complaints system operates in practice Knowledge in the Services of the Commissioner and her role is patchy and more should be done by the Ministry to improve that Staff resources should also be increased It is still too early to decide whether the Commissioner has sufficient powers The next annual report should be presented formally to Parliament *Ministry of Defence Annual Report and Accounts 2013-14* Great Britain.
