The Ecstasy of Loving God John Crowder, 2018-12-01 Ecstasy or extasis is the Greek term for trance and is linked with a pleasurable God given state of out of body experience recorded throughout the New Testament and the church age Starting with the apostles ecstatic experiences on Pentecost the Book of Acts further records trances in the lives of Peter and Paul From the early church *Miracles and Manifestations of the Holy Spirit in the History of the Church* Jeff Doles, 2007-11 GOD HAS ALWAYS DONE MIRACLES IN HIS CHURCH AND STILL DOES The Holy Spirit has never left the Church and neither have His supernatural gifts and manifestations They have been available in every century from the days of the Apostolic Fathers to the desert monks of Egypt and Syria to the missionary outreaches of the Middle Ages to the Reformation era and the awakenings and revivals that followed to the Pentecostal explosion of the Twentieth Century and the increase of signs and wonders in the Twenty first Miracles healings deliverances prophecies dreams visions even raising the dead have all been in operation throughout the history of the Church Anglicans Baptists Catholics Congregationalists Lutherans Methodists Moravians Presbyterians Quakers and many others have experienced the supernatural gifts and workings of the Spirit over the centuries *Miracles and Manifestations of the Holy Spirit in the History of the Church* gathers up numerous accounts from a variety of historical sources and provides a handy reference for those who want to know more about How the Church has understood and operated in the gifts and manifestations of the Holy Spirit at various times in history Why the gifts and miracles were more frequently in manifestation in some eras than in others The many ways the Church has ministered in healing and deliverance How the Holy Spirit manifested in great revivals How the river of gifts and miracles continues to flow today **Perfect Love Too Good To Be True?** Dan Robins, 2012-04-29 It says in John 3 16 For God so loved the world that He gave His only Son In 1 John 4 8 that God is love And in 1 John 4 18 There is no fear in love but perfect love drives out fear You probably know those verses but do you believe them Do you really believe that God loves you with perfect love Despite what you may have been told God is not angry with you He s not disappointed He is smiling over you Whatever you ve done wherever you ve been whatever you will do God has a single relentless feeling towards you perfect love This book is an ever helpful reminder that God is head over heels in love with you It will pull back the curtains and help you realise how loved you are so that your joy may be made full complete and overflowing It will help you do much more than develop a healthy theology It will help you experience Father God s affectionate embrace feel His unconditional acceptance and hear His tender words of love in deeper ways than you have ever known *The Son Rises* Robert L. Wise, 2008-02-19 When the Church gets lost in the maze of competing cultural agendas its revolutionary message and life giving influence are

compromised and eventually consumed This increasing marginalization is exactly what began to happen in the latter half of the twentieth century Many say the answer is for the Christian community to seek a more prominent position in society but respected teacher and best selling author Dr Robert L Wise contends that we must confront the surrounding culture with a deeper understanding of Christ s resurrection Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers who found in the resurrection a doorway to personal redemption that in turn transformed society around them The Son Rises is a fresh exploration of Jesus Christ s resurrection from the dead and His promise of continuing relationship with those who believe in Him **Gospel Without Borders** Jim Rotholz,2015-03-04

To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous Gospel Without Borders carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity Gospel Without Borders analyzes the formative and interactive roles that human nature and cultural history play in contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today s world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace *A Call to Compassion* James W. Goll,Michal Ann Goll,2016-02-01 Jesus lived and breathed compassion He was

and is compassion itself A Call to Compassion is your personal invitation to discover the joy of committing your life to a cause higher than your own personal desires and learn to be a reflection of God s steadfast love Be inspired by the stories of these eleven great women Catherine Booth cofounder of the Salvation Army Nancy Ward hero and last beloved lady of the Cherokee Nation Florence Nightingale reformer and pioneer of health care and a well trained nursing profession Gladys Aylward missionary to the sick orphans and poor in China Mother Teresa devoted servant to the poor in Calcutta India and the world Amy Carmichael missionary in India serving girls offered as temple prostitutes by their parents Catherine Drexel nun who gave away millions of dollars to help Native Americans and African Americans Phoebe Palmer mother of the Holiness Movement Hannah More well known writer who worked for the abolition of slavery Elizabeth Fry prison reformer in England and Europe Heidi Baker passionate missionary compelled by love to the poor in Mozambique Africa and the world God wants to express His heart through you in new and creative ways Be a pioneer of compassion in your world today Testing Prayer Candy Gunther Brown,2012-04-30 Drawing on medical records surveys of prayer recipients prospective clinical trials

and multiyear follow up observations and interviews Brown shows that the widespread perception of prayer's healing power has demonstrable social effects which can in some cases produce improvements in health that can be scientifically verified
