Loulou & Yves Christopher Petkanas,2018-04-17 No one interested in fashion style or the high flying intrigues of caf society will want to miss Christopher Petkanas s exuberantly entertaining oral biography Loulou possibly also the most neurasthenic In an exquisitely intimate sometimes painful personal and professional relationship Loulou was his creative right hand muse alter ego and the virtuoso behind all the flamboyant accessories that were a crucial component of the YSL look For thirty years until his retirement in 2002 Yves relied on Loulou to inspire him make him laugh and talk him off the ledge the enchanted formula that brought him from one historic collection to the next Yves s many tributes shape Loulou s memory as if everything there was to know about this fugitive Giacometti like figure could be told by her clanking bronze cuffs towering fur toques the turquoise boulders on her fingers and her working friendship with the man who put women in pants But another darker story lifts the veil on Loulou a classic number two with a contempt for convention and exposes the underbelly of fashion at its highest level Behind Yves s encomiums are a pair of aristocrat parents Loulou s shiftless French father and menacingly chic English mother who abandoned her to a childhood of foster care and sexual abuse Loulou s recurring desperation to leave Yves and go out on her own and the grandiose myths surrounding her family Loulou felt that her life had been kidnapped by the operatic workings of the House of Saint Laurent and in her last years faced financial ruin Loulou Yves unspools an elusive fashion idol nymphomaniacal heedless and up to her bracelets in coke and Boizel champagne at the core of what used to be called le beau monde

Draw Fashion Now Danielle Meder,2016-08-01 Find your unique fashion illustration style with Draw Fashion Now Draw Fashion Now is a combination how to guide and workbook that teaches the best techniques for illustrating and envisioning 21st century fashion Professional fashion illustrator Danielle Meder shares lessons she s learned over fourteen seasons of sketching fashion and style in every fashion capital offering readers solid illustration techniques that demystify the enigma of fashion attitude Start by learning the development and rendering process of contemporary male and female figures each in three essential fashion poses runway street style and red carpet Then master basic sketching through rendering garments and fabrics directly on the figure in a range of mediums both traditional and digital with plenty of blank space throughout to sketch and draw alongside the given examples Become an expert at fashion on the fly quick sketches for when inspiration strikes while viewing runway or street style Two beautiful sophisticated paper dolls are also included with contemporary high fashion wardrobes by critically acclaimed designers to dress them up Draw Fashion Now is a uniquely creative and interactive learning experience for fashion illustrators designers and enthusiasts at all levels of experience
