Spectacular Shakespeare Courtney Lehmann, Lisa S. Starks, 2002 *Spectacular Shakespeare* includes an introduction nine essays and an afterword that all address the spectacle of Shakespeare in recent Hollywood films The essays approach the Shakespeare as star phenomenon from various perspectives some applauding the popularization of the Bard others critically questioning the appropriation of Shakespeare in contemporary mass culture *Media Literacy* Marjorie Heins, Christina Cho, 2003 **Hamlet on Screen** Holger Klein, Dimiter Daphinoff, 1997 This is the seventh volume of a series of yearbooks covering works by Shakespeare This volume deals with film versions of Hamlet including topics such as Hamlet's ghost on the screen Kenneth Branagh's interpolations in Hamlet Zeffirelli's Hamlet and Hamlet as a woman Topics raised include comic uses of the tragedy the portrayal of Hamlet's ghost on screen and the poetic and dramatic uses of cookery in Shakespeare's plays **Framework English** Geoff Reilly, Wendy Wren, 2003 The aim of Nelson Thornes Framework English is to develop students confidence and achievement in writing With its unique range of rich fiction and non fiction texts and comprehensive coverage of the core skills Nelson Thornes Framework English Skills in Fiction and Non Fiction targets students doing well in years 7-10 **Talking Back to Shakespeare** Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume It is also about the way different interpretive communities including students read their cultural political and moral assumptions into Shakespeare's plays appropriating and transforming elements of plot character and verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare's characters women characters in particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays Such revisions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny Much of the talking back comes from marginalized readers women like Lillie Wyman author of *Gertrude of Denmark* An Interpretive Romance and other nineteenth century women critics or Jewish writers like Arnold Wesker whose play *The Merchant* transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire

Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel A Thousand Acres by Jane Smiley to obscure seldom read ones like Percy MacKaye s ambitious four play prequel The Mystery of Hamlet King of Denmark What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare s plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies
