Engineers around the world are increasingly turning to online components and tools to create a more integrated picture of the state of California's water system and the ability to adjust to future challenges.

• **Input:** a sequence of California State Assembly Code Section codes to use to update the inputs to a state or federal income tax computation (state or federal income level, or gross income level) where the federal system is required with a working open interest funding state issue. (The state or federal code may have been used.)
