Lenny Dinardo Scouting Report:

2005 Fantasy Baseball Scouting Report: for 5x5 AL Only Leagues Henry Lee, 2005 What differentiates this new series of books from the books and magazines people have used in the past is that each of the six books focuses on a different league 5x5 mixed AL only NL only 4x4 mixed AL only and NL only The projections and dollar values for players can vary up to 50% from league to league Drafting with the help of a magazine not tailored to your league specifications is a recipe for disaster yet millions of people do so every year With your Fantasy Scouting Report in hand you can rest assured that your projections are accurate Each book also has special Quick Lists designed to help you find what you need in the limited time you have between picks Players are ranked by actual scoring category points so you can compare players intelligently and quickly Categories like ERA WHIP and BA are weighted for IP and AB vitally important but often overlooked Also included is a unique quantitative analysis of the best prospects for 2005

Pigskin Nation Jesse Berrett, 2018-04-11 Cast as the ultimate hardhats football players of the 1960s seemed to personify a crewcut traditional manhood that channeled the Puritan work ethic Yet despite a social upheaval against such virtues the National Football League won over all of America and became a cultural force that recast politics in its own smashmouth image Jesse Berrett explores pro football s new place in the zeitgeist of the 1960s and 1970s The NFL s brilliant harnessing of the sports media complex combined with a nimble curation of its official line brought different visions of the same game to both Main Street and the ivory tower Politicians meanwhile spouted gridiron jargon as their handlers co opted the NFL s gift for spectacle and mythmaking to shape a potent new politics that in essence became pro football Governing entertainment news elections celebrity all put aside old loyalties to pursue the mass audience captured by the NFL s alchemy of presentation television and high stepping style An invigorating appraisal of a dynamic era Pigskin Nation reveals how pro football created the template for a future that became our present
