agricultural wheel type tractors Contained in it are the necessary specifications and the brief but terse procedural data  
needed by a mechanic when repairing a tractor on which he has had no previous actual experience The material is arranged  
in a systematic order beginning with an index which is followed immediately by a Table of Condensed Service Specifications  
These specifications include dimensions fits clearances and timing instructions Next in order of arrangement is the  
procedures section In the procedures section the order of presentation starts with the front axle system and steering and  
proceeds toward the rear axle The last portion of the procedures section is devoted to the power take off and power lift  
systems Interspersed where needed in this section are additional tabular specifications pertaining to wear limits torquing etc
