The Male Chastity Companion Park Cannon, 2025-04-05 The Male Chastity Companion isn't like any other book you've read on male chastity. It is a collection of opinionated and insightful essays written by chastity expert Park Cannon whose 20 years of experience as a chastity sub provide a unique perspective that sets this book apart from others. Chastity is a subset of BDSM that is a power exchange between a submissive and dominant. In chastity role playing the sub is restrained in a chastity device that prevents sexual stimulation and their dom holds the key to the device controlling that experience. As specific as that may sound, chastity is a remarkably versatile and adaptable kink. It is just as often a solo experience as it is one including a keyholder. The locked person doesn't always have to mean the sub. It can be enjoyed by couples that aren't interested in dom/sub power dynamics. It can be meaningful or just a fun sensual experience. The mechanics of play, the roles of those involved, the stated goal or purpose, and the symbolism or meaning you give it are all personal decisions with no right or wrong answer. To try to delineate any one true way to engage in chastity role playing would be an act of hubris and an insult to the thousands of people who have found a different way that works better for them. In that spirit, this book tries to be neither prescriptive nor complete. It discusses chastity from a unique and singular perspective and widens that perspective whenever possible, but at the end of the day, this is as much memoir as it is a reference book. The chapter titles reflect the diverse range of topics that are covered: Weird is the New Normal, Comprehensive Guide to Male Chastity, Debunked Chastity in the Middle Ages, When is Chastity Not About Chastity, Chastity's Female Problem, A Cautionary Tale of Chastity Belts and Body Scanners, Essential Chastity Websites, In Defense of the Word Faggot, How to Shop for a Chastity Device, Kinky Glossary. With the publication of *The Male Chastity Companion*, Park Cannon has solidified his position as a leading voice in male chastity today. If you purchase just one book on male chastity this year, it should be this one. This 18,300 word, 99 page book is currently available worldwide exclusively on Amazon.
