The background of the slide is a blurred photograph of a study desk. It features a wooden surface, a pair of black-rimmed glasses on the left, and a blue notebook in the center. A hand is visible on the right, holding a pen and writing on the notebook. The overall lighting is soft and focused on the study materials.

*NALA Certified Paralegal CP Examination ExamFOCUS Study Notes and Review Questions 2012*

ExamREVIEW,2012-06-22 According to the NALA the Certified Paralegal Examination have five sections which are Communications Judgment and Analytical Ability Ethics Legal Research Substantive Law The first 2 sections require essay answers All others are MC based The Substantive Law section further includes five parts One is on the American Legal System which is required of all examinees while the other 4 parts are in practice areas of law and that may be selected by examinees This book covers Ethics Legal Research the American Legal System and Criminal Law When we develop our material we do not classify topics the official way In fact we follow our own flow of instructions which we think is more logical for the overall learning process Don t worry it does not hurt to do so as long as you truly comprehend the material To succeed in the exam you need to read as many reference books as possible There is no single book that can cover everything This ExamFOCUS book focuses on the more difficult topics that will likely make a difference in exam results The book is NOT intended to guide you through every single official topic You should therefore use this book together with other reference books for the best possible preparation outcome
