There were for example his brushes with the Zaps South African Republic Police and his cycle ride from Johannesburg to Durban on the roads of 1897 to attend a cousin's twenty-first birthday party. He remembers the legendary figures of Johannesburg's entertainment world in those early days: Leonard Rayne and Jimmy Hyde among them. He also describes his boyhood friendship with the first great Springbok cricketer Jimmy Sinclair.

Christmas in London Anita Hughes, 2025-09-23 Reading *Christmas in London* you'll feel magically transported. Mary Alice Monroe, New York Times bestselling author of *A Lowcountry Christmas*. Set during London's most festive time of year and filled with delicious food, Anita Hughes' *Christmas in London* is about love and friendship and the season's most important lesson: learning how to ask for and give forgiveness. It's a week before Christmas and Louisa Graham is working twelve-hour shifts at a bakery on Manhattan's Lower East Side. When a young cooking show assistant comes in from the rain and begs to buy all the cinnamon rolls on her tray, she doesn't know what to do. Louisa is just the baker and they aren't hers to sell. But the show burned the rolls they were supposed to film that day, so she agrees. The next morning Louisa finds out that her cinnamon rolls were a hit, but the star of the show was allergic and the whole crew is supposed to leave for London that afternoon. They want Louisa to step in for their annual Christmas Eve Dinner TV special at Claridge's. It's a great opportunity and Digby Bunting, Louisa's famous baking idol, will be there. Even if he does seem more interested in her than her food. And then there's Kate, the show's beautiful producer. On their first day in London, she runs into the skinny boy she jilted at St Andrew's in Scotland ten years ago. Now he's a handsome brilliant mathematician and newly divorced. Their familiar spark is still there, but so is the scar of how they left things. Kate and Louisa are busy preparing for the show, but old and new flames are complicating their work.

Bespoke Jayne Fresina, 2019-02-20 He's been sent from Scotland Yard to solve a case of blackmail in the Yorkshire Dales; she's just opened her own business in York baking bespoke cakes. He wants a peaceful life; she's aiming for revolution. He likes to keep both feet on the ground; she dreams of scandalizing the neighborhood on a bicycle. He prefers to fade in with the wallpaper; she's proud to be a black sheep that stands out in the crowd. He's never getting married again; most women ought to be stamped on the forehead with a danger warning and clapped into handcuffs. She thinks men are simply an obstacle to her ambitions, and if it's true that the way to a man's heart is through his digestive system, that explains why a great deal of gaseous waste frequently finds its path out of the wrong end. The two of them might appear to be mismatched flavors in an unlikely recipe, but when blackmail turns to murder, it's the start of a remarkable partnership in crime-solving. And a match made in chocolate. It's late Victorian England and the world may be on the cusp of change, but is it quite ready for this pairing? They're not even prepared for it themselves. Nevertheless, some wayward kind of chemistry keeps drawing them together, and it can't be blamed entirely on the cake. Or the corpse in the conservatory.
