 Michele has been perfecting her salad making craft over several decades as a chef caterer food columnist and cookbook
 author In Vinaigrettes and Other Dressings she shares her wisdom about the most important element in any salad its
 dressing About half of the recipes in this book are variations on the classic vinegar and olive oil vinaigrette But Michele takes
 the vinaigrette formula in surprising and delicious directions sometimes by using flavored vinegars either store bought or
 flavored by the home cook sometimes by using dark vs light or mild vs strong olive oils sometimes by switching out the olive
 oil for another oil and always by adding flavoring elements like berries citrus honey bacon nuts mustard and even wines and
 sherries The remaining recipes include milk or cream based dressings dressings that start with a base of finely pureed fruits
 or vegetables and dressings that feature a distinctively flavored oil such as walnut oil or hazelnut oil While the emphasis is on
 dressings for green salads and which greens pair best with each dressing there are ample ideas for other uses such as green
 bean potato and other veggie salads as well as fruit salads and dinner salads that include meats or fish The recipes are
 accompanied by luscious color photographs and there are plenty of tips for making perfect every time salads and for crafting
