Installation drawings are available at [estoneworks.com](http://estoneworks.com)

## INTRODUCTION

Environmental StoneWorks takes pride in being the leader in our industry. As a founding member of the Masonry Veneer Manufacturers Association (MVMA), we have helped to develop the highest standards for the installation of manufactured stone veneer, as seen here in our installation guide.

## WORKMANSHIP

This installation guide assumes that construction personnel have knowledge of the materials described and their proper methods of installation. Prior to commencing activity related to the scope of this guide, review all adjacent products and other subcontractor's work that precedes the installation of manufactured stone veneer to ensure that proper workmanship is reflected and that there are no recognizable errors or deficiencies.

## BUILDING CODE REQUIREMENTS

This installation guide is intended for use with Environmental StoneWorks manufactured stone veneer and accessories. Environmental StoneWorks installation instructions follow the requirements set forth in ASTM C 1780. Building code requirements vary from area to area. Check with local authorities for building code requirements and/or site specific drawings for your area and application. Carefully read all sections of this guide before proceeding with your manufactured stone veneer application.

## SAFETY REQUIREMENTS

- Construct and maintain scaffolding in strict conformity with manufacturer's recommendations and OSHA regulations.
- In accordance with OSHA regulations, provide fall protection for installers exposed to fall hazards.
- Confirm installer compliance with OSHA regulations by reviewing written safety programs and training documentation. Environmental StoneWorks installation team complies with all OSHA regulations and will provide documentation upon request.

Disclaimer: This installation guide follows published MVMA and IFMDO specifications. Check your state building guidelines and codes for additional installation information.
