Meat A Natural Symbol:

Meat Nick Fiddes, 2004-01-14 This book is a broad ranging and provocative study of the human passion for meat It will intrigue anyone who has ever wondered why meat is important to us why we eat some animals but not others why vegetarianism is increasing why we aren't cannibals and how meat is associated with environmental destruction **Natural Symbols** Mary Douglas, 2002-09-11 Every natural symbol derived from blood breath or excrement carries a social meaning and this work focuses on the ways in which any one culture makes its selections from body symbolism Each person treats their body as an image of society and the author examines the varieties of ritual and symbolic expression and the patterns of social ritual in which they are embodied *Natural Symbols* is a book about religion and it concerns our own society at least as much as any other It has stimulated new insights into religious and political movements and has provoked re appraisals of current progressive orthodoxies in many fields As a classic it represents a work of anthropology in its widest sense exploring themes such as the social meaning of natural symbols and the image of the body in society which are now very much in vogue in anthropology sociology and cultural studies In this reissue and with a new Introduction *Natural Symbols* will continue to appeal to all students of anthropology sociology and religion Nature Ethics Marti Kheel, 2008 In *Nature Ethics An Ecofeminist Perspective* Marti Kheel explores the underlying worldview of nature ethics offering an alternative ecofeminist approach Seeking to heal the divisions between the seemingly disparate movements and philosophies of feminism animal advocacy environmental ethics and holistic health Kheel proposes an ecofeminist philosophy that underscores the importance of empathy and care for individual beings as well as larger wholes The Animals' Agenda, 1992 *A New Commentary on Holy Scripture* Charles Gore, Henry Leighton Goudge, Alfred Guillaume, 1928 *A Full-bodied Society* Logie Barrow, François Poirier, 2010 Repeatedly the rigidity of separation between male and female fluctuated as did the boundaries themselves Sometimes the greater the rigidity the less the sources may tell us of resistance to them But sometimes this can be inferred indirectly pub desc **Border/lines**, 1992 **Talking Book Topics**, 1995 **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 1995 **Beef and Liberty** Ben Rogers, 2004 In Shakespeare's *Henry V* the French lords quail at the thought of British soldiers who eat like wolves and fight like devils after great meals of beef Two centuries later eighteenth century England rings to boisterous renderings of *The Roast Beef of Old England* and loud cries of *Beef and Liberty* And even today in the *Telegraph* in June 2002 a farmer blames the French defeat in the World Cup on their ban on British beef Eating meat rich with blood recalls ancient beliefs that it endows power life and passion It is a manly food fit for fighting men in the Napoleonic wars the British navy gave its sailors a staggering 208 pounds of beef a year But why are so many beefy images linked to British freedom In this sparkling provocative book Ben Rogers follows a linked set of icons roast beef and John Bull bull dogs and butchers showing how the bull came to define plain stubborn Protestant Englishness against corrupt effeminate Catholic Europe His tale is rich in vivid historical detail

from the use of the roasting jack and the outcries against French fricassees to the famous Durham Ox which toured Britain in 1802 and the Sublime Society of Beefsteaks exclusively male which still meets in London today Lively funny and illuminating illustrated throughout with prints and drawings including famous works by Hogarth and Gillray Beef and Liberty is a feast to relish an entirely original history and a pioneering study in a new subject food nationalism Review of Scottish Culture, 1991 **International Current Awareness Services**, 1994 Indexes current publications in anthropology including material too ephemeral for its parent annual the International bibliography of social and cultural anthropology and has only limited coverage of monographs *Food, Cuisine and Society in Prehistoric Greece* Paul Halstead, John C. Barrett, 2004 Food and drink along with the material culture involved in their consumption can signify a variety of social distinctions identities and values Thus in Early Minoan Knossos tableware was used to emphasize the difference between the host and the guests and at Mycenaean Pylos the status of banqueters was declared as much by the places assigned to them as by the quality of the vessels form which they ate and drank The ten contributions to this volume highlight the extraordinary opportunity for multi disciplinary research in this area **Antiquity**, 1998 Includes section Reviews *Canadian Periodical Index*, 1992 **The Sailors' Magazine and Seamen's Friend**, 1910 *Nation in Imagination* Association for Commonwealth Language and Literature Studies. Conference, C. Vijayasree, 2007 The book is a collection of papers presented at the 13th Triennial conference of the Association of Commonwealth Literature and Language Studies ACLALS held in 2004 in Hyderabad The essays examine the swiftly changing connotations of nation in today's global world The contributors to the volume come from different parts of the world and this makes the collection a truly cross cultural attempt to re examine nationalism and understand its complex negotiations in the present The title Nation in Imagination points to the shaping influence of narratives in the shifting contours of the concept of nation *Culture & Agriculture*, 1996 *Revealing Male Bodies* Nancy Tuana, 2002 Revealing Male Bodies is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men's studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies Revealing Male Bodies addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Björn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern **The Wiltshire Archaeological and Natural History Magazine**, 2000
