Jessica Todd Harper The Home Stage:

The Home Stage Jessica Todd Harper, 2015-08-04 This Collector's Edition includes the book *The Home Stage* and this print signed and numbered by Jessica Todd Harper Self Portrait with Nicholas Becky and Marshall 2009 Pigmented inkjet print 35 5 x 28 cm This photograph has been printed in 2014 in a limited edition of 15 copies plus 4 Artist Proofs This collection by Jessica Todd Harper is aptly called *The Home Stage* a double entendre that alludes to both the home bound lifestyle of families with small children as well as the idea that home is the stage on which children first learn how to live Her nuanced treatment of her subjects and environs coupled with her elegant compositions unique color palette and handling of light theatrically transforms each room and yard into stage sets No detail is left untouched by her eye Private but universal she is genuine tender uninhibited and at times humorous bearing the emotional range of the finest actress and pulling the strongest performances from a supporting cast that includes her husband her children her sister other family members and friends

The Home Stage Jessica Todd Harper, 2014 Though Jessica Todd Harper born 1975 uses a camera rather than a paintbrush the viewer quickly senses in her images the familiar canvases of Sargent Whistler and Vermeer Harper's naturalistic images pause or recreate real life for the camera the play between the often formal environment and her subjects intimately portrayed family members creates images that seem at once intimate and artificial Her latest collection is thus aptly called *The Home Stage* a double entendre that references the home bound lifestyle of families with small children as well as the idea that home is the stage on which children first learn to live With her elegant compositions unique color palette and skillful handling of light Harper transforms every room and yard into a stage set No detail is left untouched by her eye even the wallpaper that recedes into darkness bears symbolic significance Somehow both private and universal Harper's photography is genuine tender uninhibited and at times humorous demonstrating the emotional range of the finest actor and director and drawing strong performances from her supporting cast her husband her children her sister extended family and friends Harper's photographs have been reviewed in *The New Yorker* *Photo District News* *Camera Austria* the *Frankfurter Allgemeine Zeitung* and other publications and she has taught at the International Center of Photography and Swarthmore College She lives in Philadelphia

Jessica Todd Harper: Here, 2022-09-15 Harper's approach is quietly assured and she has a sharp eye for the cozy details of domesticity *The New Yorker* Like 17th century Dutch painters who made otherwise ordinary interior scenes appear charged with meaning Pennsylvania based photographer Jessica Todd Harper born 1975 looks for the value in everyday moments The characters in her imagery are the people around her friends herself family but it is not so much they who are important as the way in which they are organized and lit by Harper A woman helping her child practice the piano is not a particularly sacred moment but as in a Vermeer painting the way the composition and lighting influence the content suggests that perhaps it is This collection of photographs presented in Harper's third monograph makes use of what is right in front of the artist what is here a place that many of us came to contemplate especially during

the pandemic Beauty goodness and truth can reveal themselves in daily life as in the Dutch paintings of everyday domestic scenes that are somehow lit up with mysterious import Harper shows how our unexamined or even seemingly dull surroundings can sometimes be illuminating

Wild Problems Russ Roberts,2022-08-09 From the host of EconTalk a guide to decision making when you can't crunch the numbers Algorithms and apps analyze data and tell you how to beat the traffic what books to buy what music to listen to and even who to date often with great results But what do you do when you face the big decisions of life the wild problems of who to marry whether to have children where to move how to forge a life well lived that can't be solved by measurement or calculation In Wild Problems beloved host of EconTalk Russ Roberts offers puzzled rationalists a way to address these wild problems He suggests spending less time and energy on the path that promises the most happiness and more time on figuring out who you actually want to be He draws on the experience of great artists writers and scientists of the past who found creative ways to navigate life's biggest questions And he lays out strategies for reducing the fear and the loss of control that inevitably come when a wild problem requires a leap in the dark Ultimately Roberts asks us to see ourselves and our lives less as a problem to be solved than a mystery to be experienced There's no right decision waiting to be uncovered by an app or rational analysis Reality is harder than that and perhaps a little more interesting

Problemas salvajes Russ Roberts,2022-10-01 Los algoritmos y las aplicaciones analizan los datos y te dicen cómo superar el tráfico qué libros comprar qué música escuchar e incluso con quién salir a menudo con grandes resultados Pero qué haces cuando te enfrentas a las grandes decisiones de la vida los problemas salvajes de con quién casarte si tener hijos dónde mudarte cómo forjar una vida bien vivida que no se pueden resolver con medidas o cálculos En Problemas salvajes el famoso presentador de EconTalk Russ Roberts ofrece a los desconcertados racionalistas una forma de abordar estos problemas imposibles Sugiere gastar menos tiempo y energía en el camino que te promete alcanzar mayor felicidad y dedicarlo a descubrir quién quieres ser en realidad Basándose en la experiencia de grandes artistas escritores y científicos del pasado que encontraron formas creativas de navegar por las preguntas más importantes de la vida este libro presenta estrategias para reducir el miedo y la pérdida de control que inevitablemente surgen cuando un problema salvaje requiere dar un salto en la oscuridad
