Teaching Experience

13a. Teaching Experience: Classroom Teaching and / or Student Teaching (practicum)

Fill out and calculate as accurately as possible the amount of hours you have taught in a classroom with a registered school board/independent school/college/university. Only calculate classroom hours, not time spent marking, planning, meeting or on extra-curricular supervision. **Do not list future plans** to teach or future dates. Your experience will only be considered as of the application deadline.

Leave the end date blank if you are currently teaching/tutoring and do not have an expected end date.

You may also, in this question, include the hours:

- you have spent teaching during a teacher training practicum (this only includes lessons planned, prepared and taught by yourself, not classroom observation time).
- you have spent supervising classes as an occasional (supply) teacher.
- you have spent teaching classes/leading seminars as a post-secondary teaching assistant.
- you have spent working as an Assistant Language Teacher (or similar position) or instructing in a language school.
