Build a High-Nurturance Stepfamily Peter K. Gerlach, 2002-11 Note hyperlinks below will take you to the Break the Cycle Website formerly Stepfamily inFormation that this book and series are based on Use your browser's back button to return to Xlibris This is the fourth volume in a series of six dedicated to breaking the epidemic wounds unawareness cycle that promotes America's tragic divorce divorce epidemic The prior volume Stepfamily Courtship Xlibris com 2002 outlines seven Projects to help courting couples make wise commitment decisions This book for stepfamily

coparents and supporters adds five more projects based on the prior seven ones. If couples didn't do the prior projects, which is common, they can start the first six any time. A sobering reality is that if either partner made any unwise courtship choices, it's unlikely that doing these other 11 Projects will guard them and their dependents from the five hazards that promote psychological or legal re-divorce. Nonetheless, working at the projects will give minor kids their best chance at avoiding inherited psychological wounds and passing them on to their descendants like their unaware ancestors did. The five post-re-wedding co-parenting projects are:

- 8 Nourish your re-marriage and steadily keep it your second priority after personal integrity and wholistic health except in emergencies. In complex multi-home stepfamilies, this is hard for many couples to do as they merge three or more multi-generational biofamilies and evolve strategies to resolve inevitable values and loyalty conflicts and Persecutor-Victim-Rescuer relationship triangles while you.
- 9 Build a co-parenting team with your kids; other parents stay current on your kids' progress with their many developmental and adjustment needs; and continually adjust and refine your co-parenting job descriptions based on your stepfamily mission statement. Because all nine of these ongoing co-parent projects are complex, confusing, and conflictual.
- 10 Intentionally build a support network for you and your kids and use it regularly. Finally.
- 11 Help each other stay balanced personally, re-maritally, and co-parentally each day and enjoy this whole challenging endeavor.
