**Margareth Stewart**

## **March Women March:**

*March, Women, March* Lucinda Hawksley, 2015-01-01 March Women March explores the women's movement in Britain from the passing of the Marriage and Divorce Act in 1857 to women attaining the vote in 1928. Published to commemorate the centenary of the death of the suffragette Emily Wilding Davison who threw herself under King George V's horse during the Derby and consequently sustained fatal injuries. This fascinating book uses anecdotes and accounts by both famous and hitherto lesser known suffragettes and suffragists to explore how the voice of women came to be heard throughout the land in the pursuit of equal votes for females. Using diary extracts and letters the main protagonists of the women's movement are brought back to life as Lucinda Dickens Hawksley explores how they were portrayed in literature and art as well as the media reports of the day. **Rosalie Gardiner Jones and the Long March for Women's Rights** Zachary Michael

Jack, 2020-03-03 In February 1913 young firebrand activist General Rosalie Gardiner Jones defied convention and the doubts of better known suffragists such as Alice Paul, Jane Addams and Carrie Chapman Catt to muster an unprecedented equal rights army. Jones and Colonel Ida Craft marched 250 miles at the head of their all-volunteer platoon advancing from New York City to Washington DC in the dead of winter in what was believed to be the longest dedicated women's rights march in American history. Along the way their band of protestors overcame violence, intimidation and bigotry at every step documented by journalist embeds who followed the self-styled army down far-flung rural roads and into busy urban centers bristling with admiration and enmity. At march's end in Washington more than 100,000 spectators cheered and jeered Rosalie's army in a reception said to rival a president's inauguration. This first-ever book-length biography details Jones's indomitable and original brand of boots-on-the-ground activism from the 1913 March on Washington that brought her international fame to later-life campaigns for progressive reform in the American West and on her native Long Island. Consistently at odds with conservatives and conformists, the fiercely independent Jones was a prototypical social justice warrior, one who never stopped marching to her own drummer. Long after retiring her equal rights army, Jones advocated nonviolence and fair trade, authored a book on economics and international peace and ran for Congress, earning a law degree, a PhD and a lifelong reputation as a tireless defender of the dispossessed. **Why We March** Artisan, 2017-02-23 National Bestseller On January 21, 2017

millions of people gathered worldwide for the Women's March, one of the largest demonstrations in political history. Together they raised their voices in hope, protest and solidarity. This inspiring collection features 500 of the most eloquent, provocative, uplifting, clever and creative signs from across the United States and around the world. Each is a powerful reminder of why we march. As with the recent battle cry of "Nevertheless she persisted," these messages continue to reverberate daily and fortify a movement that will not be silenced. All royalties from the sale of this book will be donated to Planned Parenthood.
