Volume 12 Ren Eguchi, 2022-11-16 Another day another dungeon Or rather another day the same dungeon because even
though Mukohda would much rather make the most of his mid dungeon break by lingering on the surface and enjoying a
breath or two of outside air a certain trio of battle happy gluttons have dragged him right back into the depths again Fel Sui
and Dora won t be satisfied until they conquer every last floor that the Brixton dungeon has to offer and the most Mukohda can
do is grit his teeth and tag along for the ride But hey it s not that bad after all if the first forty floors were simple enough for
Team Familiar to steamroll through then surely the next who knows how many won t pose any dangers or inconveniences
either right And it s not like there are any horrible primeval monsters lurking somewhere down there that everyone except
for Mukohda has forgotten the gods specifically warned them about right **Tasting Paris** Clotilde Dusoulier, 2018-03-20
