## **Life Orientations Question Paper 2015:**

**The Handbook of Salutogenesis** Maurice B. Mittelmark, Shifra Sagy, Monica Eriksson, Georg F. Bauer, Jürgen M. Pelikan, Bengt Lindström, Geir Arild Espnes, 2016-09-02 This in depth survey of salutogenesis shows the breadth and strengths of this innovative perspective on health promotion health care and wellness Background and historical chapters trace the development of the salutogenic model of health and flesh out the central concepts most notably generalized resistance resources and the sense of coherence that differentiate it from pathogenesis From there experts describe a range of real world applications within and outside health contexts from positive psychology to geriatrics from small towns to corrections facilities and from school and workplace to professional training Perspectives from scholars publishing in languages other than English show the global relevance of the field Among the topics in the Handbook Emerging ideas relevant to the salutogenic model of health Specific resistance resources in the salutogenic model of health The sense of coherence and its measurement The application of salutogenesis in communities and neighborhoods The application of salutogenesis to health development in youth with chronic conditions The application of salutogenesis in mental health care settings The Handbook of Salutogenesis summarizes an increasingly salient field for graduate and professional students of public health nursing psychology and medicine and for their instructors It will also appeal to health related academicians and professionals who wish to have a thorough grounding in the topic

**Gender and Young People's Digital Sexual Cultures** Deevia Bhana, 2025-08-13 This volume focuses on the role of gender in young peoples digital sexual cultures in South Africa Offering a snapshot of their lives as they navigate the online world this book explores young people s heterosexual desires and the materialisation of gender inequalities The chapters in the book take heed of human and more than human elements and understand the connection between devices technologies images sexting filters pornography sexuality and violence as affective flows with potential for new becomings and new constraints Chapters also detail how these experiences are woven with global and local norms regarding heterosexuality masculinity and femininity shaping young peoples web surfing experiences amid pleasure and peril Chapter 1 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

**Moral and Spiritual Leadership in an Age of Plural Moralities** Hans Alma, Ina ter Avest, 2019-01-17 In crisis situations such as terror attacks or societal tensions caused by migration people tend to look for explicit moral and spiritual leadership and are often inclined to vote for so called strong leaders Is there a way to resist the temptation of the simplistic solutions that these strong leader offer and instead encourage constructive engagement with the complex demands of our times This volume utilises relational and dialogical perspectives to examine and address many of the issues surrounding the moral and spiritual guidance articulated in globalizing Western societies The essays in this collection focus on the concept of plural moralities understood as divergent visions on what is a good life both in an ethical aesthetical existential and spiritual sense They explore the political cultural context and consequences of plural moralities as

well as discussing challenges possibilities risks and dangers from the perspective of two promising relational theories social constructionism and dialogical self theory The overarching argument is that it is possible to constructively put in nuanced moral and spiritual guidance into complex plural societies By choosing a clear theoretical focus on relational approaches to societal challenges this interdisciplinary book provides both a broad scope and a coherent argument It will be of great interest to scholars of social and political psychology leadership and organization religious studies and pedagogy

**Perspectives on Children's Spirituality in Diverse and Changing Contexts** John Chi-Kin Lee, 2024-07-19 This book offers multidisciplinary and inclusive perspectives on children and young people's spirituality and its research in diverse socio cultural contexts It brings together a collection of select research articles that were published over a period of nearly two decades 2003-2021 in the International Journal of Children's Spirituality IJCS to celebrate the journal's 25th anniversary Featuring contributions by leading international scholars from U K U S Canada Finland Australia Hong Kong and China this edited volume focuses on different and complementary perspectives on children's spirituality in diverse and changing contexts Chapters cover topics such as the study of children's spirituality as a natural form of human awareness a proposed pluricultural approach the potential contributions of psychoanalytic tradition and cognitive psychology possible influences of tradition's multidisciplinary and perceptions on understanding children's spiritual experiences Christian perspectives on children's spirituality in relation to living and dying in Quebec Canada Finnish pre adolescents perceptions of religion and spirituality using technology specifically tablets as a component for understanding children's spirituality and cyber spirituality This volume will be an invaluable resource for researchers and postgraduate students majoring in education studies life and moral and spiritual education and those majoring in psychology and religious studies Human

Development from Middle Childhood to Middle Adulthood Lea Pulkkinen, 2017-06-26 This seminal work focuses on human development from middle childhood to middle adulthood through analysis of the research findings of the groundbreaking Jyväskylä Longitudinal Study of Personality and Social Development JYLS The JYLS project which began in 1968 has generated extensive publications over many years but this is the first comprehensive summary that presents the conceptual framework the research design and methodology and the findings The study looks at the development over time of issues related to personality identity health anti social behavior and well being and is unparalleled in its duration intensity comprehensiveness and psychological richness The thorough synthesis of this study illustrates that there are different paths to adulthood and that human development cannot be described in average terms The 42 year perspective that the JYLS provides shows the developmental consequences of children's differences in socioemotional behavior over time and the great significance of children's positive socioemotional behavior for their further development until middle age Not only will the book be an invaluable tool for those considering research methods and analysis on large datasets it is ideal reading for students on lifespan courses and researchers methodologically interested in longitudinal research The technical concept of social

space orientation as a perspective for social work with older people Kim Liss,2024-05-15 Seminar paper from the year 2018 in the subject Social Work grade 1 0 University of Duisburg Essen Soziale Arbeit course Konzepte sozialraumorientierter Arbeit language English abstract This text was translated with the help of AI and reviewed by the GRIN editorial team The aim of this paper is to emphasise the changes and significance of the ageing phase of life and to present the specialist concept of social space orientation as an enriching perspective for social work with older people By way of introduction the concept of social space orientation will be presented in general terms Particular attention will be paid to the definition of social space and the explanation of the concept itself In order to provide as comprehensive an understanding of the concept as possible the five basic principles of social space orientation are differentiated and declared separately The following section then deals with the general phase of life of old age and its categorisation in the context of demographic change In addition various images of old age are presented in summarised form in order to illustrate the heterogeneity and diversity of old age This is linked to the connection between social space orientation and the ageing phase of life To this end some of the advantages and perspectives of anchoring social space orientation in work with older people are emphasised in advance In order to both substantiate and further deepen this the paper goes into more detail below on the social space of older people which also emphasises the heterogeneity of old age described above The paper then goes on to look more specifically at the conceptual realisation and design of the concept of social space orientation in relation to the requirements and needs of the older population This makes it possible to draw a conclusive meaningful conclusion about the relevance and prospects of the concept of social space orientation for the ageing phase of life To this end this conclusion summarises the content and arguments previously identified and links them together This is followed by a concluding assessment and a summary of the previously discussed significance of merging social space orientation with social work with older people

*Positive Psychology* Jennifer Teramoto Pedrotti,Shane J. Lopez,Ryon C. McDermott,C. R. Snyder,2024-02-20 Positive Psychology offers comprehensive coverage of the science and application of positive emotions and human strengths The Fifth Edition explores fresh examples and reflections on current events recent and emerging scholarship and a new focus on the diverse aspects of our society and the many strengths rooted in our multi faceted cultures **University-Community**

**Partnerships for Promoting Social Responsibility in Higher Education** Enakshi Sengupta,Patrick Blessinger,Craig Mahoney,2020-07-24 This book provides empirical evidence on how universities have considered social responsibilities as their prime focus and engaged with civil society to enhance their values Case studies from Indonesia to the United Kingdom enrich the book through experience interventions and narratives **The Complex Biopsychosocial Interactions that**

**Create Stress Resilience** Deborah Suchecki,Clement Hamani,Jocelien D. A. Olivier,Juliana Nery Souza-Talarico,2022-01-12 **Work-Life Balance for the Generation Z Using the Example of the Adidas Group** Cam-Duc Au,2017-05-17 Seminar paper from the year 2016 in the subject Sociology Social System and Social Structure grade 1 0 University of applied

sciences D sseldorf language English abstract The objective in this paper is the depiction of the work life balance concept as a strategy of employer branding in order to finally improve intrinsic and extrinsic motivation as a result thereof Focussing on the practical example of the Adidas Group and its workplace in Herzogenaurach which is known as The Adidas Campus the emphasis lies on the evaluation how the expectations of the Generation Z are met and what consequences are revealed The society nowadays undergoes manifold social alterations such as demographic change globalisation or change of generations The dynamics of these developments do not relate only to the people but also to the companies who have to accept these challenges The necessity to act upon the requirement of social and economic adaption lead to the formula of success For instance attracting young professionals by creating targeted employment conditions constitutes simultaneously the solution for lack of specialists and the aging workforce in an organisation According to a recent online survey conducted in Germany by the online statistics portal Statista 81% of young professionals between 25 and 34 years consciously care about work life balance Focussing on the needs of junior employees who also go by the term of Generation Z for people born beginning from 1995 represents the current strategic orientation of companies The Generation Z or Digital Natives are to be distinguished from their predecessors in terms of expectations towards employer In comparison to the Babyboomers or Generation X the present generation is surrounded by the omnipresence of Internet and thus social media Respecting this fact by providing a complying digital work environment can influence employer branding and employee motivation in a positive way
