God's Works Revealed Albano, Sam, 2022 *God's Works Revealed* presents a compelling challenging and joyful vision for living as a lesbian gay or bisexual Catholic today by accepting the divine gift of our sexuality and seeking to live the promises of our baptism It draws from the deep well of traditional theology Catholic teaching and Sacred Scripture while also challenging assumptions that exclude LGB Catholics from the possibility of sexual expression married life and participation in the life of the Church Informed by theology and formed by the worship of the Church Albano engages in serious study and draws on some of the best thought on scripture and natural law theology that has formed his Church s teaching on homosexuality and homosexual actions He presents not so much a dismissal of what the Church teaches as a critical engagement with that teaching that will point out its insufficiencies and calls for further refinement and reflection He insists that his experience and that of other gay and lesbian Catholics be taken seriously from the foreword After more than fifty years of ministry on behalf of LGBT Catholics I have seen considerable developments in Christian understandings about sexuality and gender which are challenging topics for politicians and Catholics alike Written from the heart of a faith filled Catholic gay man who is not a politician these pages push sexual politics aside and speak to our heads and hearts in a sensible and compelling way We ll see with new eyes the gifts that persons of various sexual orientations bring to the Church I recommend this book for all the people of God who are walking the path of synodality with Pope Francis Jeannine Gramick SL author and cofounder of New Ways Ministry for LGBT Catholics *God's Works Revealed* offers a respectful well argued critique of official teachings on homosexuality and the impact

on the physical and spiritual lives of LGBTQI people It is a deeply loving thoughtful and ultimately hopeful dialogue between a gay Catholic and the Church that could open pathways to needed change Here you will find truths that speak to your soul Marianne Duddy Burke executive director of DignityUSA **Corridors of Contagion** Victoria Law,2024-09-10 Tracing the narratives of five incarcerated individuals Sentenced to COVID speaks to the devastating impact of surviving the pandemic inside prison walls Corridors of Contagion brings to light the experiences of five people incarcerated across the United States as they navigate the onset of the pandemic and the many months stretched into years that followed Journalist Victoria Law combines this storytelling with a trenchant analysis of the structural failures of the US carceral system failures that made prisons uniquely vulnerable to COVID 19 outbreaks from overcrowding to solitary confinement from insufficient healthcare to life sentences The book portrays the horrors of continual lockdowns not in the comfort of one s own home but in prisons where routine violence and chaos is made even more unimaginable by the complete lack of control over protection from a terrifying and lethal new virus The pandemic provided an opportunity for lawmakers and policy makers to rethink the nation s addiction to perpetual punishment Instead US jails and prisons doubled down on punishment under the guise of pandemic protections As a result people behind bars experienced increased stress mental health challenges increased violence and higher rates of deaths many of which could have been prevented While the pandemic emergency has been declared over we are continuing to learn more about the extent of its destruction Corridors of Contagion reminds readers about both the particular horrors experienced by people in cages and the continued role of the US as the world s prison nation
