improving the transition from school to university University Access and Success will appeal to academics and researchers in the field of higher education internationally The book also contributes to the growing body of international and comparative scholarship on the capabilities approach in higher education and will therefore be of value to higher education practitioners such as those working in the promotion of teaching and learning higher education quality assurance institutional research and student affairs      *Pitman's Journal of Commercial Education* ,1913      Independent Schools ,2000      **Pharmaceutical Journal**; ,1907      The Building News and Engineering Journal ,1888      **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1891
