**The Global Impact of the COVID-19 Pandemic on Institutional and Community Corrections** James M. Byrne, Don Hummer, Sabrina S. Rapisarda, 2021-07-07 The authors of the chapters included in this volume provide preliminary answers to questions such as How extensive were COVID 19 outbreaks in prisons jails and community corrections systems globally Which regions and countries reported the largest outbreaks Why were prisons and jails found to be hot spots for the spread of COVID 19 in most countries How did governments initially respond to COVID 19 outbreaks in their corrections systems Did the mitigation strategies used in each country reduce the spread of the infection in the corrections system both in prisons and jails and in community corrections Did the corrections focused mitigation strategies used in each country have a positive or an adverse impact on public health and public safety How likely is it that the varied short term mitigation strategies implemented by governments will result in long term changes in corrections policies and practices The book includes three chapters examining the global impact of the COVID 19 outbreaks six regional overviews and 27 country specific reviews including reviews targeting 21 of the 50 largest prison systems globally This collection will be an excellent resource for researchers policymakers practitioners and the general public interested in knowing more about the nature and extent of COVID 19 outbreaks in corrections systems globally and about the diversity of responses developed and implemented by governments from each global region The chapters in this book were originally published as a special issue of the journal Victims Offenders

**Contemporary Left-Wing Activism Vol 2** Joseph Ibrahim, John Roberts, 2018-12-07 Within many societies across the world new social and political movements have sprung up that either challenge formal parliamentary structures of democracy and participation or work within them and in the process fundamentally alter the ideological content of democratic potentials At the same time some parliamentary political parties have attracted a new type of populist political rhetoric and support base This collection along with its accompanying volume 2 examines the emergence of and the connections between these new types of left wing democracy and participation Through an array of examples from different countries it explains why left wing activism arises in new and innovative spaces in society and how this joins up with conventional left wing politics including parliamentary politics It demonstrates how these new forms of politics can resonate with the real life experiences of ordinary people and thereby win support for left wing agendas

**Media & Entertainment Law** Ursula Smartt, 2017-02-03 Media Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industries both in terms of its practical application and its theoretical framework providing a broad and comprehensive coverage of these fast changing branches of the law Fully restructured to complement how media law is taught today in the digital age this third edition explores recent updates in the law including the outcomes of the Google Spain case and the right to be forgotten the use of drones in breach of privacy laws internet libel and the boundaries of media freedom and press regulation following the Leveson inquiry Media Entertainment Law uses the most up to date

authorities to explore privacy and confidentiality subjects such as the Prince Charles black spider letters the Maximilian Schrems and the celebrity superinjunction PJS v Newsgroup Newspapers cases The book also covers defamation contempt of court and freedom of information plus Scots law New to this edition A brand new chapter is dedicated to exploring technology and the media including contemporary issues such as the dark web the surveillance state internet censorship and the law and social media including bloggers vloggers and tweeters The chapters on regulatory authorities have been expanded to provide greater clarification and explanation of broadcasting press and advertising regulation including the protection of journalistic sources and comparisons with EU Law The chapter on intellectual property and entertainment law has been streamlined to match media law courses more effectively This text provides students with detailed coverage of the key principles cases and legislation as well as a critical analysis of this vibrant subject

The Handbook of Religion and Communication Yoel Cohen, Paul A. Soukup, 2023-02-14 Provides a contemporary view of the intertwined relationship of communication and religion The Handbook of Religion and Communication presents a detailed investigation of the complex interaction between media and religion offering diverse perspectives on how both traditional and new media sources continue to impact religious belief and practice across multiple faiths around the globe Contributions from leading international scholars address key themes such as the changing role of religious authority in the digital age the role of media in cultural shifts away from religious institutions and the ways modern technologies have transformed how religion is communicated and portrayed Divided into five parts the Handbook opens with a state of the art overview of the subject's intellectual landscape introducing the historical background theoretical foundations and major academic approaches to communication media and religion Subsequent sections focus on institutional and functional perspectives theological and cultural approaches and new approaches in digital technologies The essays provide insight into a wide range of topics including religious use of media religious identity audience gratification religious broadcasting religious content in entertainment films and religion news reporting about religion race and gender the sex religion matrix religious crisis communication public relations and advertising televangelism pastoral ministry death and the media online religion future directions in religious communication and more Explores the increasing role of media in creating religious identity and communicating religious experience Discusses the development and evolution of the communication practices of various religious bodies Covers all major media sources including radio television film press digital online content and social media platforms Presents key empirical research real world case studies and illustrative examples throughout Encompasses a variety of perspectives including individual and institutional actors academic and theoretical areas and different forms of communication media Explores media and religion in Judeo Christian traditions Islam Buddhism Hinduism religions of Africa Atheism and others The Handbook of Religion and Communication is an essential resource for scholars academic researchers practical theologians seminarians mass communication researchers and undergraduate and graduate students taking courses

on media and religion      *Digital Activism in Zimbabwe* Tenford Chitanana, 2024-10-21 This book investigates the role of the internet and social media in political processes in non western and non democratic contexts Using Zimbabwe as a case study the book demonstrates how activists and ordinary people deploy social media particularly Facebook to subvert an enduring hegemonic state However the book also highlights how authoritarian regimes are in turn learning and adapting to the information age challenging the impact of digital activism Studies of digital activism in the Global South are often centred around democracy but this book paints a more complex picture examining the role and effect of digital activism in challenging state hegemony in authoritarian contexts The book notes that while communication technologies help mediate activism they are also simultaneously constrained by pre existing and emergent challenges tied to the social and political context and the inherent limitations of those technologies The book investigates the tactics used by digital activists the contextual factors and restrictive political environment they operate in including the role of pro government activists and ultimately the impact of digital activism given these constraints From the case of Zimbabwe the book builds out a broader theoretical analysis of the evolution of third world protest in the digital age examining the limitations of activists actions and the ideological deficit in online activism to ferment a virulent counter hegemony      *The Tech Coup* Marietje Schaake, 2025-09-16 A tech insider who has been hailed by The New Yorker for her forceful critique of Big Tech describes what must be done to stop its erosion of democracy Over the past decades under the cover of innovation technology companies have successfully resisted regulation and have even begun to seize power from governments themselves Facial recognition firms track citizens for police surveillance Cryptocurrency has wiped out the personal savings of millions and threatens the stability of the global financial system Spyware companies sell digital intelligence tools to anyone who can afford them This new reality where unregulated technology has become a forceful instrument for autocrats around the world is terrible news for democracies and citizens In *The Tech Coup* Marietje Schaake offers a behind the scenes account of how technology companies crept into nearly every corner of our lives and our governments She takes us beyond the headlines to high stakes meetings with human rights defenders business leaders computer scientists and politicians to show how technologies from social media to artificial intelligence have gone from being heralded as utopian to undermining the pillars of our democracies To reverse this existential power imbalance Schaake outlines game changing solutions to empower elected officials and citizens alike Democratic leaders can and must resist the influence of corporate lobbying and reinvent themselves as dynamic flexible guardians of our digital world Drawing on her experiences in the halls of the European Parliament and among Silicon Valley insiders Schaake offers a frightening look at our modern tech obsessed world and a clear eyed view of how democracies can build a better future before it is too late      *The Times Index* , 2013-03 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement      *Historical Review of the Kenya Prisons Service, from 1911 to 1970*
