**ICT APPLICATIONS IN LIBRARIES** Lalit kumar,2016-06-13 The paper discusses the concept of an Online Library and Information Centre LIC and explores it in the changing and modern perspective It discusses the Features Advantages and Limitations of the Online Digital Libraries Indian Books in Print ,2003 Comrades and Comebacks Saira Shah Halim,2025-08-30 The history of Left politics in India runs deep into the very heart of the freedom struggle It can hardly be denied that both the freedom struggle and the political landscape of free India was for the longest time hued in various shades of red Peculiarly Leftism in India has developed in close ties with the culture in which it was rooted A movement consisting of diverse forces with moderate socialists at one end of the spectrum and extremist or revolutionary communists at the other The Indian Left has had a complex and evolving role in Indian politics While historically it has played a pertinent role primarily in states such as West Bengal and Kerala its influence and relevance both have waned in recent years It has been struggling to adapt itself to dynamic electoral politics and therefore finding it hard to regain its lost ground This book is about an ideology that is under threat or as many say almost extinct at least in India It tries to sketch a rich historical narrative that foregrounds left politics in world history locate its relevance in India and chart a future of its revival

*Conceptualizing Mass Violence* Navras J. Aafreedi,Priya Singh,2021-05-13 *Conceptualizing Mass Violence* draws attention to the conspicuous inability to inhibit mass violence in myriads forms and considers the plausible reasons for doing so Focusing on a postcolonial perspective the volume seeks to popularize and institutionalize the study of mass violence in South Asia The essays explore and deliberate upon the varied aspects of mass violence namely revisionism reconstruction atrocities trauma memorialization and literature the need for Holocaust education and the criticality of dialogue and reconciliation The language content and characteristics of mass violence genocide explicitly reinforce its aggressive transmuting and multifaceted character and the consequent necessity to understand the same in a nuanced manner The book is an attempt to do so as it takes episodes of mass violence for case study from all inhabited continents from the twentieth century to the present The volume studies consciously enforced mass violence through an interdisciplinary approach and suggests that dialogue aimed at reconciliation is perhaps the singular agency via which a solution could be achieved from mass violence in the global context The volume is essential reading for postgraduate students and scholars from the interdisciplinary fields of Holocaust and Genocide Studies History Political Science Sociology World History Human Rights and Global Studies *English Linguistic Imperialism from Below* Leya Mathew,2022-07-11 Imperialism may be over but the political economic and cultural subjugation of social life through English has only intensified This book demonstrates how English has been newly constituted as a dominant language in post market reform India through the fervent aspirations of non elites and the zealous reforms of English Language Teaching experts The most recent spread of English in India has been through low fee private schools which are perceived as dubious yet efficient The book is an ethnography of mothering
