La Critique En Design Contribution A Une Anthologie:

La critique en design Françoise Jollant-Kneebone, 2003 Anthologie qui montre la diversité d'approches de la critique du design depuis la fin des années 50 critiques d'exposition qui ont fait date critiques théoriques critiques de professions etc Parmi les spécialistes cités Abraham Moles Deyan Sudjic Hugh Aldersey Williams etc Furniture and Interiors of the 1970s Anne Bony, Ivan Rakočević, 2005 The 1970s a revolutionary decade born out of the turbulent late 1960s during which militant outspokenness and cultural unrest shook up society with lasting effects Protest against cultural norms and a disillusionment in consumerism went hand in hand with a strong sense of social commitment that propelled radical creative and functional changes in design Furniture and Interiors of the 1970s bears witness to the fusion of influences both societal and individual that took hold during this explosive decade and catapulted design into its contemporary framework BOOK JACKET

Industrial Design Raymond Guidot, 2006 A comprehensive history of design materials from the origins of mass production during the Industrial Revolution to the contemporary world's applications of wood metals and synthetics covers major design trends while making predictions about the potential of new technologies product description Dictionnaire d'esthétique et de philosophie de l'art Jacques Morizot, Roger Pouivet, 2007 Etat des lieux de l'esthétique et de la création artistique travers une analyse raisonnée des notions et des concepts couvrant l'ensemble du domaine Une approche méthodique proposant 245 mots clés Des termes jour des courants les plus récents comme le kitsch ou les arts numériques Un document tenant compte de la réflexion esthétique menée en Grande Bretagne et aux Etats Unis **Livres de France**, 2010 Includes 1982 1995 Les Livres du mois also published separately **Livres hebdo**, 2003 **Les Livres disponibles**, 2004 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde La liste des éditeurs et la liste des collections de langue française Online Virality Valérie Schafer, Fred Pailler, 2024-08-19 The book Online Virality edited by Valérie Schafer and Fred Pailler C2DH University of Luxembourg aims to provide a comprehensive examination of online virality It explores the many ways we can think about this modern phenomenon and analyse the circulation reception and evolution of viral born digital content Virality and content sharing always intertwine material infrastructural visual and discursive elements This involves various platforms stakeholders intermediaries social groups and communities that are constantly re-defining themselves Regulation curation and content moderation politics as well as affects and emotions fears humour empathy hatred are also at the core of online virality The publication offers an interdisciplinary overview on online virality by including different types of scientific inputs such as precise case studies various methodological approaches including close and distant reading visual studies discourse analysis etc as well as historical and socio technical analyses The book is organised around three main topics Expressions and Genres Mobilisations and Engagements Circulation and Infrastructures The first part explores the semiotics of virality the diverse and creative forms of expression specific genres the relation to other media and the affective side of virality such as using humour or provocation The second part focuses on

the political dimension of memes and viral content and their use in the context of controversy or political and ideological opposition Finally the third part delves into the often understudied but essential side of virality by examining the role of platforms and their curation in short the infrastructural dimension of virality These three parts allow us to question such fundamental notions linked to virality as among others circulation reception economy of attention instrumentalisation and affect This volume brings together authors from various disciplines including semiotics history information and communication sciences computer science digital humanities media studies In addition the contributors approach the question via case studies that allow for a perspective that is not exclusively US and European centred Some chapters explore virality in Brazil Chile while the book also examines a wide variety of platforms YouTube Twitter Instagram TikTok video game platforms etc

History of the Surrealist Movement Gérard Durozoi, 2002 Tracing the movement from its origins in the 1920s to its decline in the 1950s and 1960s Durozoi tells the history of Surrealism through its activities publications and reviews demonstrating its close ties to some of the most explosive political as well as creative debates of the twentieth century Unlike other histories which focus mainly on the pre World War II years of the movement in Paris Durozoi covers both a wider chronological and geographic range treating in detail the postwar years and Surrealism's colonization of Latin America the United States Japan Czechoslovakia Belgium Italy and North Africa Drawing on documentary and visual evidence including 1 000 photos many of them in color he illuminates all the intellectual and artistic aspects of the movement from literature and philosophy to painting photography and film All the Surrealist stars and their most important works are here Aragon Borges Breton Buñuel Cocteau Crevel Dal Desnos Ernst Man Ray Soupault and many more for all of whom Durozoi has provided brief biographical notes in addition to featuring them in the main text
