Shakespeare's To the Single Woman	Shakespeare's Sonnet 130	Shakespeare's Sonnet 130
<p>My mistress' eyes are nothing like the sun, Coral is far more red than her lips' red, If snow be white, why then her breasts are dun, If hairs be wires, black wires grow on her head, I have seen roses damasked, red and white, But no such roses see I in her cheeks; Than in that smooth skin mine own misers seek, I love to hear her speak, yet well I know That music breaks a far more pleasing sound, I grant I never saw a golden age, My mistress, when she walks, treads on the ground, And yet, by heavens, I think my love a rare As any that had yet with false compare</p>		<p>misers are lovers/girlfriends dun is brownish/dusky damasked is streaked red & white roses misers is selfish/someone treads is walking/steps golden age is disappointment, contrast, fail to fulfill false compare is exaggeration</p>

Multiple Choice Study Guide Tempest Shakespeare:

Shakespeare Without Fear Mary Janell Metzger, 2004 As a high school and college student Mary Janell Metzger sat through old school lectures that swamped Shakespeare in literary tradition and form leaving no breathing room for individual interpretation As a teacher she yearned to connect students to Shakespeare's plays and in *Shakespeare Without Fear* she tells you how she finally removed the barrier between text and inquiry by focusing on the rich interactive possibilities between student teacher and bard *Shakespeare Without Fear* offers methods that will get students emotionally and imaginatively involved with the plays while developing their capacity for critical judgment Ideal for the experienced teacher as well as for the English Education methods course *Shakespeare Without Fear* first debunks the idolatry and polarizing academic politics surrounding the study of Shakespeare and then allays reader anxieties by setting up the plays as engaging historical works instead of items to check off a cultural literacy list Next Metzger takes you into real classrooms for a complete look at how she and other educators teach several major works including *Romeo and Juliet* and *Hamlet* offering both a framework for teaching any Shakespearean drama and play specific essential questions for teaching ten of his other most popular plays Covering topics like teaching to standards the challenges nonnative speakers face reading Shakespeare and formatting lessons for AP instruction *Shakespeare Without Fear* will help you create conditions where Shakespeare explodes off the page and into the imaginations of your students
