Jesse Jackson Drudge Report:

The Republican Noise Machine David Brock, 2005 Bestselling author David Brock documents the most important political development of the last thirty years How the Republican Right has won political power and hijacked public discourse in the United States Over the last several decades the GOP has built a powerful media machine newspapers and magazines think tanks talk radio networks op ed columnists the FOX News Channel Christian Right broadcasting book publishers and high traffic Internet sites to sell conservatism to the public and discredit its opponents David Brock's penetrating analysis of news stories from the disputed 2000 presidential election to the war in Iraq to the political battles of 2004 reveals that this booming right wing media market is largely based on bigotry ignorance and emotional manipulation closely tied to America's long standing cultural divisions and the buying power of anti intellectual traditionalists Writing with verve and deep insight Brock reaches far beyond typical bromides about media bias to produce an invaluable account of the rise of right wing media and its political consequences

Yes We Can? Adia Harvey-Wingfield, Joe Feagin, 2013-01-17 The first edition of this book offered one of the first social science analyses of Barack Obama's historic electoral campaigns and early presidency In this second edition the authors extend that analysis to Obama's service in the presidency and to his second campaign to hold that presidency Elaborating on the concept of the white racial frame Harvey Wingfield and Feagin assess in detail the ways white racial framing was deployed by the principal characters in the electoral campaigns and during Obama's presidency With much relevant data this book counters many commonsense assumptions about U S racial matters politics and institutions particularly the notion that Obama's presidency ushered in a major post racial era Readers will find this fully revised and updated book distinctively valuable because it relies on sound social science analysis to assess numerous events and aspects of this historic campaign

American Rhapsody Joe Eszterhas, 2001-03-13 If the Watergate scandal was a previous generation's National Nightmare then maybe the Clinton scandal was our National Wet Dream and who better to narrate it than the screenwriter Joe Eszterhas In *American Rhapsody* Eszterhas whose credits include *Basic Instinct* and *Showgirls* and *Charlie Simpson's Apocalypse* for which he was nominated for a National Book Award takes us through the events that threatened to topple a president and left most of the nation's citizens with at the very least a bad taste in

their mouths Taking full advantage of his considerable journalistic and storytelling talents Eszterhas gives us every fact rumor or innuendo surrounding the president s foibles in the context of late century American politics and entertainment Here Washington and Hollywood do more than just flirt with each other they share the same bed From scandalmongers Matt Drudge who began as a Hollywood gossip and Ken Starr to would be president paramours Sharon Stone and Barbra Streisand to his final unimpeachable witness Willard none other than President Clinton s talking penis Eszterhas gives us the goods on the story that nobody could stop talking about and thanks to American Rhapsody will be impossible to think about the same way again **Seen and Heard** Kyle Williams,2012-12-04 You ve heard the saying Children should be seen and not heard But teen political writer Kyle Williams is challenging that adage and making a name for himself in the process As the youngest columnist for WorldNetDaily com he has tackled subjects such as abortion homosexual rights separation of church and state and the public school system In Seen and Heard Williams again takes on the establishment offering clear evidence that a leftist agenda is at work in our nation His lively energetic analysis of current events will leave readers with an understanding of the attack on traditional family values that is taking place daily Williams s writing style sound logic infused with passion and conviction makes Seen and Heard both informative and entertaining *Grand Theft 2000* Douglas Kellner,2001 The battle for the White House following the election of November 7 2000 was one of the major media spectacles in American history From the uncertainty of election night to Al Gore s concession to George W Bush s acceptance of the mantle of president elect Douglas Kellner demonstrates why the media was culpable in the theft of the presidency ultimately bringing to power one of the most right wing administrations in American history By applying critical social theory cultural studies and media criticism to buttress his arguments Kellner concludes that Election 2000 reveals a crisis in contemporary American democracy A final chapter critically dissects the first 100 days of the Bush presidency which is emerging as one of the most reactionary in history Bamboozled Angela McGlowan,2009-08-17 Which political party gave rise to the Ku Klux Klan Which political party opposed extending the vote to women Which political party attempted to filibuster and kill the Civil Rights Act of 1964 Which political party in 2007 tapped as President Pro Tempore of the Senate a former Klansman Hint It wasn t the Republicans Bamboozled demolishes once and for all the lies Liberals use to manipulate and exploit Latinos women and blacks Based on a mountain of research and personal interviews with top leaders and insiders McGlowan dismantles Democrat deceptions and exposes Liberal lies including How the Democratic Party erased its racist past and created an illusion of inclusion on Civil Rights The scheme Liberals ran to con minorities into loyally supporting a political party that despises their most deeply felt values Why what s bad for families is great for Liberals How Liberals love affair with criminal leniency destroys the very communities Liberals claim to protect How Liberal economic policies bankrupt blacks loot Latinos and wreck women s wallets Unveiling the Left s racist past and exploitative present McGlowan points all Americans toward a bamboozle free future **The Limbaugh Letter** ,2008 **The New York Times Magazine** ,2001

The Black E.O.E. Journal ,2004 **The New York Times Biographical Service** ,2001 A compilation of current biographical information of general interest *Newsweek* ,2008 **Fulltext Sources Online** Donald T. Hawkins,Mary B. Glose,2001 **National Journal** ,2000 American Government Karen O'Connor,Larry Sabato,1999 The fourth biennial update of a textbook for an introductory course Revised especially in the Interest Group Politics section to integrate events through the Starr Report but not impeachment hearings Also considers debates about campaign finance economic and political changes in Russia and Jap **Culture Wars** Roger Chapman,2010 Featuring hundreds of A Z entries and numerous photos the set examines the history and relevance of the issues events controversies personalities groups and concepts that have contributed to the political and social polarization of American society over recent decades It details hot button topics as well as the role of the media in defining and shaping these issues everything from abortion the Christian Coalition the environmental movement feminism and gay rights to illegal aliens pornography stem cell research Watergate and zero tolerance A topic finder bibliography and index add to the set s utility **Celebrity Politics** Darrell M. West,John M. Orman,2003 This book looks at the history and contemporary role of celebrities in American politics and the long term implications of this trend It examines the intersection of prominent families such as the Kennedys Bushes and Clinton with entertainment figures like Charlton Heston now head of the National Rifle Association Since this book examines celebrity politics in historical context as well as in the contemporary situation it can be used as a supplementary reading in introduction to American Politics courses as well as classes on mass media campaigns and elections Congress the presidency parties interest groups and popular culture Pref The New York Times Index ,1984
