## **Jesus By Numbers:**

**Jesus by Numbers** Lloyd Daggett, 2014-12-09 Have you ever wondered why God used numbers repeatedly in the Scriptures Would you like to discover His holiness or His calling for consecration Do you have an interest in learning the hidden mysteries from the prophets of old In Jesus by Numbers you will discover the significance of numbers within Gods Word You will understand the divine character of God and how His numbers depict the last days and help define the message The hidden message and mystery is meant to be no longer hidden You can experience a deeper revelation of Christ with insights to the last days and events to come This is a must read from the beginning to the end You will discover the destiny of man through the numbers of God If you want to discover the hidden mysteries of God revealed in the repeated use of numbers within His Word if you are searching for truth or insight if you are searching for a deeper understanding of the wisdom of God and are interested in the later day prophecies then reading Jesus by Numbers from the beginning to the end is a must You will discover insights to improve your daily walk with Christ as well as wisdom in understanding the significance of numbers in prophetic events of the past as well as those in the present It is written with hope that it will reveal Gods truth in a new challenging way Just as there is meaning and purpose in the written Word of God there is also significance in the numbers used within His Word If you can understand this you will never view the character of God or the reading of His Word the same way again The message within the message is a hidden treasure worthy of discovering Discover for yourself the destiny of man by the numbers of God **Jesus Christ, the Number of His Name** Bonnie Gaunt, 1998 Sir Issac Newton searched more than half a lifetime for the secret code that he suspected was in the original texts the Old and New Testaments He died without ever finding it That sacred code now reveals the story of Jesus Christ His part in the work of creation His coming as the babe of Bethlehem and His glorious second coming as the promised King on David s Throne The exciting message that was encoded into the original text tells the time of His coming and the Earth s Great Millennium Today we are living in the time that was prophesied This book takes us on an exciting journey into the secrets of that code and its astounding message **The Holy Numbers of God** Shaolin Abrams Sr, 2016-02-24 In this book I am going to bring to you the revelation of the Holy Numbers of GOD a revelation which I have received from the LORD JESUS CHRIST through the power of the HOLY SPIRIT for HIS GLORY The LORD wants them to be known by all those who seek to know HIM through HIS WORD in power because I believe that numbers have a lot to do with the power and understanding of the WORD OF GOD The HOLY SPIRIT told me that it would open up the revelation of truth of the Scriptures and yes I believe it to be very very important The Scriptures reveal GOD to be a GOD of numbers and the Psalmist said of the LORD HE counts the number of the stars and HE calls them all by name That s Psalm 147 verse 4 The modern telescopes show that there are millions of stars reaching out into space and so infinite that men do not have numerical figures sufficient to measure their distances Yet the WORD OF GOD tells us the number of these stars and HE calls them all by name Job said

For now YOU number my step You ll find that in Job 14 verse 16 If it were so in the case of Job is it not so in the case of all people When we think of all the steps taken by all the men who ever lived and then realize that GOD numbered them all then we can better understand the words of the Psalmist when he said Great is our LORD and might in power HIS understanding is infinite That s Psalm 147 verse 5 Again Job said Since his days are determined the number of his months is with YOU That s found in Job 14 verse 5 Jesus said that not a sparrow could fall to the ground without the FATHER s notice and that the very hairs of the heads of HIS people are all numbered That s found in Matthew 10 verses 29 30 And when we think of all of the many sparrows that have fallen to the earth and the countless billions of hairs that have been on the heads of people since the beginning of time and how the number of hairs on different heads are changing from day to day then we can indeed say Hallelujah how our GOD is a GOD of numbers and that HIS knowledge is truly infinite Jesus said concerning the law Till Heaven and earth pass away one jot or one tittle will by no means pass from the law till all is fulfilled That s in Matthew 5 verse 18 and every word and every letter in the WORD OF GOD was in HIS mind before a line of it was ever written even the numbers within the WORD were known to HIM before they were penned This will be seen as I go into the numbers with you in this book because indeed our GOD is great and infinite in HIS understanding There are many incidents in Scripture showing evidence of the numerical design of the HOLY NUMBERS OF GOD which run all through the bible for instance the distance around the Tabernacle was 300 cubits The length of the court shall be one hundred cubits the width fifty throughout and the height five cubits That s found in Exodus 27 verse 18 Now the two long sides were 100 cubits each the two ends were 50 cubits each Two times 100 plus two time 50 equals 300 cubits You shall make an altar of acacia wood five cubits long and five wide the altar shall be square and its height shall be three cubits That s Exodus 27 verse 1 The product of the number connected with the altar is 300 the number of cubits around the Court Five times five is 25 four times 25 is 100 and three times 100 is 300 On this altar within the Court the Priest offered the sacrifice In I Chronicles 24 verses 1 19 there are found 24 divisions of the Priesthood These are the divisions of the sons of Aaron Nadab Abihu Eleazar and Ithamar but among the sons of Eleazar there were 16 chief men of the house of their fathers and eight among the sons of Ithamar sixteen and eight make 24 When all the numbers from one to 24 are added the sum is 300 the number of cubits around the court and Noah s ark was 300 cubits long the distance around the Court of the Tabernacle

**Historic Negro Spirituals as Biblical Interpretation** Christa Klingbeil Dixon, 2024-12-15 Dr Christa K Dixon 1935 2003 grew up during the time of World War 2 where her father a German Confessing Church pastor regularly visited American POW camps and young Christa heard African American soldiers singing spirituals Her fascination grew but Dixon s interests became quite focused on her interest in how the famous spirituals interpreted the Bible In the mid 1960s Dr Dixon earned her PhD working on Negro Spirituals in Germany and published the text that formed from her years of research and long lasting passion for the spirituals she heard during her visits to the

prisoner camps with her father A work of careful analysis and scholarship Dixon's study has since been out of print but now newly translated and presented for an audience to rediscover In John Lovell's important 1972 monograph *Black Song The Forge and Flame* he wrote Perhaps the most intensive study of Biblical influences in the spiritual is found in Christa Dixon's *Wesen und Wandel geistlicher Volkslieder Negro Spirituals* her analyses are not only deeply intensive but quite creative In this book Drs Kim R Harris and Daniel L Smith Christopher provide not only a translation of the published German work but also contribute two new essays to accompany this timeless study as both modern critique and long overdue appreciation

**Actual Proof of My Existence Signed** Don Christie, 2003-03 This book is designed to show some of the strongest proof that the scriptures are the inspired Word of God and do it in the most simple way The book starts out by showing about 18 Psalms that accurately predicted all of the major events of the 20th century by landing in the Psalm number that is the same year of the event some even on the correct verse numbers of the month also The Psalms are the 19th book of the Bible so Psalm 46 becomes 1946 with He makes wars to cease one year after 1945 and WWII Psalm 87 as 1987 Saddam Hussein's month long Babylonian party with musicians invited from all over the world where Babylon is mentioned in Psalm 87 4 I will make mention of Rahab and Babylon Psalm 87 7 with As well the singers as the players on instruments shall be there Other events predicted events are the Y2K problem of 1999 in Psalm 99 8 thou tookest vengeance of their inventions the WTC attack El Nino Gulf War and on and on even future events are explored Psalm 103 as 2003 talks about the eagles and those that are oppressed just like America the eagles setting the oppressed free in Operation Iraqi Freedom This book also shows that all of our modern day science constants are encoded in the Psalms by a key phrase in the Psalm of the same number Psalm 19 electricity heat sun circuit Psalm 27 light and 10 27 power is a photon of light Psalm 29 creation fire Psalm 31 speedy electron and the net Psalm 38 heavy gravity and on up to 23 Psalms not one misses This book goes deep into the Tabernacle of Moses and the Ark of the Covenant showing that these Bible structures are actual models of modern day science This book shows upwards of 600 key scriptures where the verse numbers equal the meaning of the verse There is much more in the book as well as these subjects about the Bible's numbers The book is guaranteed to please and show powerful proof that the scriptures are the inspired Word of God because this is a book of facts not speculation All of modern day history and science will unravel from the Psalms in just the first 2 chapters alone all landing on the correct verse numbers Imagine playing a lotto where you have to get 40 numbers correct out of 150 numbers on the first try because this is what the Psalms did 3 000 years ago The odds are about 10 40th power to 1 40 zeroes that all of the proper key expressions keep landing in the Psalm of the same number as the year or a science constant number I know that you will enjoy the book and be blown away by the proof Don Christie

**Successful Small Groups** Kurt W. Johnson, 2011 In Matthew 28 18 20 Jesus makes the mission of the church abundantly clear Go therefore and make disciples of all the nations But how do you reach a twenty first century society filled with diverse backgrounds and varying levels of religious interest

And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services The answer may be simpler than you think involve and empower the laity in small group ministry Kurt W Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry In this practical guide Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends neighbors coworkers and others to a saving relationship with Christ Do you want to fulfill Jesus Great Commission Discover how you and your church can change the world around you through the power of the Holy Spirit one disciple at a time Kurt W Johnson D Min is the Bible school director for the Voice of Prophecy international radio ministry His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides including Face to Face With Jesus and Focus on Prophecy Book jacket

**The Unbroken Wholeness Power of God** Don Christie, 2002-09 This book is all about experiencing the awesome WHOLENESS power of God through a life of discipleship and prayer The book is a call to get back to the simple basics of the Bible using the wholeness and oneness principles as a guide In a few of the later chapters the book explores some simple but remarkable number patterns such as the mathematical constants for light time gravity creation fire and many more all of which were encoded in the Psalms 3000 years ago about 2 900 years before they were known These simple number patterns such as 19 for electricity 27 for light 29 for creation fire and 38 for gravity all have key words in the first few verses of the Psalm number that is the same exact number of the math constant The book also explores a few ELS or what is called Equidistant Letter Sequences to show hidden codes in the Bible There also is a unique matrix code for the World Trade Center attack included Many more interesting Bible numbers that equal modern day scientific theory and fact are found in the Tabernacle of Moses and other places in the Bible The book brings out the wholeness principles contained in the Bible and how to apply them to your life The book also validates the fact that the Bible contains the simple mathematical evidence for the existence of God with patterns of numbers that are way beyond chance

**SALVING THE DRAGON ARMAGEDDON THE TRUTH**, 2010-09-01 Reason and insights for ending the life on the planet on 2016 [The Second Reformation](#) Bill Beckham, 2015-11-27 Bill Beckham describes how Jesus used groups of different sizes and relationships three twelve seventy and one hundred and twenty at Pentecost to fulfill his global purpose Beckham demonstrates how we need to relearn Christ's same relational strategy to plant churches and win a lost world for Jesus Christ Beckham shows how many churches today have allowed an Old Testament theology to dictate their ecclesiology He then offers practical advice

and clear direction to return to the original way to live Church as an expansion movement like Jesus did In this book Beckham shows how the Cell Church Movement is God s answer to take the church back to a place of fruitfulness and effectiveness
