Inventing Christic Jesuses, Volume 1 Charles A. Wilson,2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom

God Is in Control of All Things at All Times Tina Tanner,2020-11-04 This book is the story of one person's life however in the broader sense it touches the lives of a multitude of people everywhere It is a story about faith love and hope It's a story first of my faith in God although a shallow faith at times stemming from a lack of knowledge and understanding of His word and being raised in an environment that lacked the promotion of God's word as a way of life Next the love of God that is never ending unfailing consistent loyal faithful and an unconditional love Finally hope a four letter word that has the supernatural power to transform that which was once dead

into life a beautiful life with a good future In addition hope is the push behind perseverance that helps a person achieve success in spite of challenges great or small Hope is the propeller that helps to lift a person out of the lowest times in their life and propels them to unimaginable heights As you read this book you will see how my life was catapulted into seasons of darkness yet through that darkness the light shown greater as it came bursting through the darkness from the power of who is on the inside Greater is He that is in you than he that is in the world 1 John 4 4 KJV When you read this book instead of focusing on the bad events or words of darkness by the evil one that were intended to destroy me focus on the acts of the Heavenly Father and my beloved Savior Jesus who lives in my heart for all of the miraculous things they have done in my life We may go through bad events in life but we don t go through them alone and Jesus won t allow them to destroy us Scripture tells us in Revelation that we overcome conquer prevail be victorious over by the blood of Jesus and the word of our testimony what you witnessed And they God s people overcame him Satan by the blood of the Lamb Jesus and by the word of their testimony Rev 12 11 KJV This book is a testimony that God is in total control of all things and that we are overcomers through Jesus the Christ the Anointed One In life we may face situations that are unbearable hurtful sad or challenging but we can trust that God will never fail us *Make the best of yourself* Jean Allan Owen,1889 **Ness and Jamie, a Story of London Life** Henry Johnson (Novelist),1890 *Modern Ideas of Evolution as Related to Revelation and Science* Sir John William Dawson,1890 **Fortress Green** Eleanor B.
