**Insolvency Practitioners** Hugh Sims, Rachel Lai, Neil Levy, Stefan Ramel, Holly Doyle, James Hannant, 2020-12-25 This is an indispensable and practical overview of the functions and liabilities of the insolvency practitioner IP bringing together the expertise of insolvency practitioners and specialist lawyers It considers the circumstances in which IPs are appointed their duties and their powers before offering a detailed investigation into their potential professional liabilities as well as in depth guidance to practitioners and advisers as to how claims might be framed and defended

**The Insolvency Service** House of Commons Business and Enterprise, 2009-05-06 With the economic downturn there has been an alarming increase in the number of companies entering liquidation and unprecedented numbers of people are being made bankrupt So the Committee decided to review the work of the Insolvency Service and found it to operate in a generally efficient and effective way The investigation though uncovered concerns about the insolvency regime Public confidence in the insolvency regime will be damaged unless prompt robust and effective action is taken to ensure that pre pack administrations when a company's business and assets are sold on terms that were negotiated between the buyer and the administrator before the company formally entered administration are transparent and free from abuse This causes particular outrage where the existing management buy back the business and continue to trade clear of the original debts Phoenix pre packs Pre packs of this kind fuel concerns about illegitimate self serving alliances between directors and insolvency practitioners The interests of unsecured trade creditors must take a higher priority especially in phoenix pre pack administrations The Committee welcomes the new practice statement Statement of Insolvency Practice 16 which aims to increase the transparency of pre packs Monitoring of its implementation in the recession becomes a matter of considerable urgency Insolvency practitioners remuneration is perceived as unduly high by many creditors the Insolvency Service should publicise the results of its monitoring to see whether insolvency practitioners are complying with the current practice statement governing the approval of their fees The Department for Business Enterprise and Regulatory Reform must ensure the Service's funding arrangements are sufficiently robust to handle the very high levels of insolvency
