before God brought you into this world he made provisions in order for you to be able to deal with such circumstances You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it In this book I will teach you about the nature of the faith that moves mountains I will try to explain the nature of that faith how to have it how to use it and how to protect it I want you to realize that you don't always have to put up with things that prevent you from moving forward in your life and toward your God given destiny I encourage you to keep this in mind not knowing whether or not something negative is happening to you is part of how God is working in your life You need to pray and make your desire known to God As God's servant you never need to hide your frustration from him and shy away from letting the one who loves you know what you need My prayer is that after realizing how powerful faith in God is you may put yours into good use God did not put us in this world without carefully equipping us for every challenge we would face God has not created us either as simple tools he can use whenever or for whatever he wants Rather God has made us acting beings able to do things and in fact the things which he himself does God created us in his image and has made us his associates in looking after everything he created Discover the power of faith in God and triumph over the mountains of life
