Jesus Humanity And The Trinity

Kathryn Tanner

Jesus Humanity And The Trinity:

Jesus, Humanity and the Trinity Kathryn Tanner, Tanner offers not a repetition of doctrines but a creative synthesis of key Christian principles especially the transcendence and gift giving of God and contemporary experience What emerges is a profound yet precise vision of creation God's life and our participation in it While consonant with traditional teachings Tanner's dynamic speculative theology is universal in its range mystical in its outlines and deeply ethical in its relations with all God's gifted creatures Jesus Humanity and the Trinity not only takes stock of Christian belief in a time of tumultuous intellectual and cultural change It also finds in that ferment a life giving meaning and mission for Christian life **Christ**

the Key Kathryn Tanner, 2009-12-10 Through the intensely intimate relationship that arises between God and humans in the incarnation of the Word in Christ God gives us the gift of God's own life This simple claim provides the basis for Kathryn Tanner's powerful study of the centrality of Jesus Christ for all Christian thought and life if the divine and the human are united in Christ then Jesus can be seen as key to the pattern that organizes the whole even while God's ways remain beyond our grasp Drawing on the history of Christian thought to develop an innovative Christ centered theology this book sheds fresh light on major theological issues such as the imago dei the relationship between nature and grace the Trinity's implications for human community and the Spirit's manner of working in human lives Originally delivered as Warfield Lectures at Princeton Theological Seminary it offers a creative and compelling contribution to contemporary theology

Trinity and Humanity Uche Anizor, 2018-02-27 Colin Gunton is regarded by many as one of the most important English theologians of the twentieth century A prolific writer and creative thinker Gunton taught at King's College London for over thirty years until his untimely death in 2003 In this first single authored introduction to Gunton's theology Uche Anizor traces the key theological themes major contributors and criticisms of his work Each chapter provides a synthesis and overview of Gunton's thought on a particular doctrine or set of doctrines calling attention to the Trinitarian shape of his theology In

Trinity and Humanity Anizor provides a handy entrance into the corpus of this major thinker **The Incarnation as God's First Intention** Edwin Chr. van Driel, 2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr. van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God's engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God's original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church's mission in today's world suggesting that God's presence with us is not merely a remedy for human fallenness but rather God's first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God's relation to the world this book challenges readers to see the incarnation God's

dwelling among us as God's central purpose Liturgia Dei Adam Couchman, 2025-10-10 What does it mean to worship More often than not we understand worship to be something that we perform for God If that's the case then worship is ultimately a human action that flows from human effort How would our understanding of worship change though if we took as our starting point that Jesus is a fully human and fully divine worshiper Does it then mean that God is worshiping In responding to these questions Liturgia Dei suggests that worship is not primarily something we do for God but something God is eternally performing Worship is the eternal glorification of God that extends from and returns to the eternal relations of Father Son and Mother Spirit The church joins in this worship to through and with Jesus Christ **Christ the Key** Kathryn Tanner, 2010 An innovative Christ centered theology exploring the centrality of Christ for Christian thought and shedding fresh light on major theological issues Christ and humanity; with a review of the doctrine of Christ's person Henry M.
