**Auditing and Assurance Services** David N. Ricchiute,2003 Auditing and assurance service education has undergone  
dramatic change in at least three ways 1 An awakening that practitioners have a comparative advantage in offering  
professional services that transcend the boundaries of financial statements 2 An understanding that client strategies affect  
engagement risk and 3 A transition away from first person delivery by classroom instructors only and toward third person  
discovery by students both within and outside of the classroom Each has influenced the seventh edition To transcend the  
boundaries of financial statements Auditing and Assurance Services exposes students both to the demand for and the supply  
of the profession s flagship service financial statement audits and to the nature of the value added assurance services  
decision makers demand in the information age      InfoWorld ,1982-08-09 InfoWorld is targeted to Senior IT professionals
