STEM and Social Justice: Teaching and Learning in Diverse Settings Cheryl B. Leggon, Michael S.

Gaines, 2017-06-06 This volume focuses on selected innovative programs designed to augment the science engineering engineering and mathematics STEM workforce through increasing and enhancing the participation of under represented groups The programs span the STEM career pathway primary secondary and tertiary education and professional development and socialization in the United States South Africa and New Zealand Similarities as well as differences between and among programs across nations will be systematically analyzed for lessons learned The conceptualization for this volume developed over the past several years during various international conferences starting in Havana Cuba in 2006 and continuing at meetings in Japan 2014 South Africa 2013 and 2015 and New Zealand 2015 Public Gardens and Livable Cities Donald A. Rakow, Meghan Z. Gough, Sharon A. Lee, 2020-11-15 Public Gardens and Livable Cities changes the paradigm for how we conceive of the role of urban public gardens Donald A Rakow Meghan Z Gough and Sharon A Lee advocate for public gardens as community outreach agents that can and should partner with local organizations to support positive local agendas Safe neighborhoods quality science education access to fresh and healthy foods substantial training opportunities and environmental health are the key initiative areas the authors explore as they highlight model successes and instructive failures that can guide future practices Public Gardens and Livable Cities uses a prescriptive approach to synthesize a range of public private and nonprofit initiatives from municipalities throughout the country In doing so the authors examine the initiatives from a practical perspective to identify how they were implemented their sustainability the obstacles they encountered the impact of the initiatives on their populations and how they dealt with the communities underlying social problems By emphasizing the knowledge and skills that public gardens can bring to partnerships seeking to improve the quality of life in cities this book offers a deeper understanding of the urban public garden as a key resource for sustainable community development The Enduring Promise of America's Great City Schools Michael Casserly, 2024-10-30 A sober yet encouraging look at how urban public schools have confronted challenges defied expectations and continued to improve

Leadership for Low-Performing Schools Daniel L. Duke, 2015-01-15 No greater challenge faces our society than improving the educational opportunities for millions of young people trapped in chronically low performing schools Overcoming this challenge requires talented and dedicated school leaders whose knowledge and skills extend far beyond what is covered in conventional principal preparation programs This book draws on extensive research by the author and others on the actions needed to turn around low performing schools First however the book examines the personal qualities needed to undertake the turnaround process Following chapters provide guidelines on diagnosing the school based causes of low achievement and developing a school turnaround plan The author focuses on the importance of continuous planning a departure from standard practice A major portion of the book is devoted to examples of first order and second order

strategies for raising achievement Specific recommendations for launching the turnaround process and sustaining gains beyond the first years of turnaround are provided The concluding chapter addresses the role of school districts in supporting school based turnaround efforts *Mathematics and Multi-Ethnic Students* Yvelyne Germain-McCarthy,2017-05-25

Mathematics and Multi Ethnic Students provides detailed profiles of teachers across the nation who have implemented effective mathematics instruction for diverse student populations In this revised edition Yvelyne Germain McCarthy expands upon the popular case studies and adds two new chapters to highlight the latest educational research and practices that are reflected in the case studies A third new chapter introduces the concept of the Life Long Learning Laboratory where courageous questions on issues such as the impact of race on student learning are discussed Featuring useful framing tools including the Discussion with Colleagues and Commentary sections *Mathematics and Multi Ethnic Students* translates concrete instances of access and equity into generalized problem solving methods for promoting ethnic diversity across grade levels An important resource for pre service and in service educators researchers administrators and policy makers this volume highlights the work of teachers who have gone beyond mere awareness of reform recommendations in mathematics instruction By uniting the goals of multicultural education with those of the mathematics curriculum educators will learn to conceptualize and implement best practices for effective equitable teaching and learning of mathematics for their students

Grassroots School Reform K. Farnsworth,2011-01-18 This book walks community activists through the rationale for assuming local responsibility for academic performance outlines steps needed to drive that change and suggests curricular direction and school policy requirements *Elementary and Secondary Act Reauthorization* United States.
