that things would someday get better at dream came to life when years later he landed at Dublin airport to start his new life in Europe with absolutely nothing but a backpack carrying few pairs of clothes he had holes in his socks and big dreams in his heart From there he went on to building a business empire for himself Lester is married to a fellow immigrant lady of Hungarian origin and together they have 2 children and lives in their family home in Ireland His current mission is to unashamedly use his life story and experiences to inspire and motivate those that are going through the challenges of life so they will begin to see themselves differently and begin to look for ways to turn their very own lives around and start to rise UP FROM THE DUST **Kaapse bibliotekaris** ,2014 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957
