Karma Is Quantum Energy:

Karma Is Quantum Energy Dean Fraser,2015-01-18 Could it be that there is some arbitrary force at work controlling what happens in our lives A hidden mysterious power that ensures that we have to pass through certain experiences in order to grow as people Certainly this is how karma could possibly be perceived Patterns that just sort of happen Probably for us to grow we are just not sure how When I look back through my own life there are clearly obvious patterns ways of reacting in different situations that for a while at least became ingrained and pretty standard responses Sometimes however these emotional reactions can cause us to feel uncomfortable within ourselves Signs from within us that it is now time to react in a different way the current way no longer working

Karma Is Quantum Energy Dean Fraser,2015-09-28 What if it were possible for us to change the past Could we then go on to create a completely different future Is it possible to shape our own destiny and then life can take an entirely different direction This book aims to show that by living in the now and going through a process of healing our past our future can then be entirely in our own hands to create whatever reality we wish

The 20th Century Cyber War Zone Operations Documentary Part Two Perry Ritthaler,2013-02-21 This fascinating e book continues the story taking the reader from the time of full blow killings on the battlefield toward the peace truce operations currently being negotiated in the Middle East today The e book is packed with many online pictures and newspaper articles and video links to help the reader better understand the covert digital cyber warfare operations flavored with the authors special brand of war poetry poems No matter where you go Perry says you can always hear echoes of the war on terrorism even silent echoes Against this background Perry develops his cyber covert digital psychology war operations filled with new peace empowerment war strategy wielding empowerment mixed with logic He releases the operations online into the battlefield as fast as terrorism and war is published in media online reported in the Middle East region of the world As he attempted to deal with the ravages of war seamlessly and the threat posed to the civilian way of life the final war on terror is shaped in the age of psychology economic empowerment reasoning Through the implementation of these covert psychology war strategy empowerment operations war strategies and operations by the terrorism networks and NATO military are redefined and implemented on the battlefield The reshaping of the war on terrorism objectives in the mind of leaders on both sides of the battlefield are his target This is powerful e book to read for people interested in politics or terrorism or the wars in the Middle East or the new cyber warfare technology created in the 20th Century [Plug-in](#)
