Hoard's Dairyman, 1906 *Performance and Gender in Ancient Greece* Eva Stehle, 2014-07-14 Like love Greek poetry was not for hereafter writes Eva Stehle but shared in the present mirth and laughter of festival ceremony and party Describing how men and women young and adult sang or recited in public settings Stehle treats poetry as an occasion for the performer's self presentation She discusses a wide range of pre Hellenistic poetry including Sappho's compares how men and women speak about themselves and constructs an innovative approach to performance that illuminates gender ideology After considering the audience and the function of different modes of performance community bardic and closed groups Stehle explores this poetry as gendered speech which interacts with performers bodily presence to create social identities for the speakers Texts for female choral performers reveal how women in public spoke in order to disavow the power of their speech and their sexual power Male performers however could manipulate gender as an ideological system they sometimes claimed female identity in addition to male associated themselves with triumph over a defeated mythical female figure or asserted their disconnection from women thereby creating idealized social identities for themselves A final chapter concentrates on the written poetry of Sappho which borrows the communicative strategy of writing in order to create a fictional speaker distinct from the singer a Sappho whom others could re create in imagination Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Mesmerism, Medusa, and the Muse Anne DeLong, 2012-04-26 Mesmerism Medusa and the Muse The Romantic Discourse of Spontaneous Creativity explores the connections among the Romantic discourse of spontaneous literary creativity the nineteenth century cultural practice of mesmerism and the mythical Medusa as an icon of the gendered gaze An analysis of Medusan mesmerism in the poetry of Mary Robinson Samuel Taylor Coleridge Percy Bysshe Shelley and Letitia Elizabeth Landon L E L and the prose of Mary Shelley reveals that these Romantic era writers equate the enraptured state that produces spontaneous literary creation with the mesmeric trance These writers employ Medusan imagery to portray both the mesmerist and the mesmerized subject a conflation of subject object positions that complicates issues of agency subjectivity and gender Images of Medusan mesmerism ultimately work to deconstruct Romantic ideological dichotomies of self other female male muse artist and sublime beautiful In contrast to a traditional masculinized Romantic discourse that emphasizes self possession this study uncovers a feminized improvisational Romantic discourse characterized Other possession an assumption of the mesmerized subject position that enhances subjective fluidity This study interrogates the Romantic discourse of spontaneous literary creativity through an examination of Romantic poetry

prose and theory that utilizes mesmeric and Medusan metaphors to suggest creative inspiration Building on recent scholarship about improvisational poetics the subversive potential of mesmerism and Medusa as a feminist icon this work suggests that the mesmeric Medusan muse not only enables creativity for women writers but also provides a mirror in which they view and through which they give voice to their own societal oppression The mesmeric Medusan muse in Romantic era literature from the Ancient Mariner and the Frankenstein monster to the tragic abandoned Sapphic poetess often represents the face of oppression an unwelcome and monstrous truth in nineteenth century British society For women writers in particular braving the stare of the Medusan muse enhances empathy and therefore inspiration and literary productivity

Jersey Bulletin and Dairy World ,1909 *Transcending the New Woman* Charlotte J. Rich,2009 The dawn of the twentieth century saw the birth of the New Woman a cultural and literary ideal that replaced Victorian expectations of domesticity with visions of social political and economic autonomy Although such writers as Edith Wharton and Kate Chopin treated these ideals in well known literature of that era marginalized women also explored changing gender roles in works that deserve more attention today This book is the first study to focus solely on multiethnic women writers responses to the ideal of the New Woman in America opening up a world of literary texts that provide new insight into the phenomenon Charlotte Rich reveals how these authors uniquely articulated the contradictions of the American New Woman and how social class race or ethnicity impacted women s experiences of both public and private life in the Progressive era Rich focuses on the work of writers representing five distinct ethnicities Native Americans S Alice Callahan and Mourning Dove African American Pauline Hopkins Chinese American Sui Sin Far Mexican American Mar a Cristina Mena and Jewish American Anzia Yezierska She shows that some of their works contain both affirmative and critical portraits of white New Women in other cases while these authors align their multiethnic heroines with the new ideals those ideals are sometimes subordinated to more urgent dialogues about inequality and racial violence Here are views of women not usually encountered in fiction of this era Callahan s and Mourning Dove s novels allude to women s rights but ultimately privilege critiques of violence against Native Americans Hopkins s novels trace an increasingly pessimistic trajectory drawing cynical conclusions about black women s ability to thrive in a prejudiced society Mena s magazine portraits of Mexican life present complex critiques of this independent ideal of womanhood Yezierska s stories question the philanthropy of socially privileged Progressive female reformers with whom immigrant women interact These writers works sometimes affirm emerging ideals but in other cases illuminate the iconic New Woman s blindness to her own racial and economic privilege Through her insightful analysis Rich presents alternative versions of female autonomy with characters living outside the mainstream or moving between cultures *Transcending the New Woman* offers multiple ways of transcending an ideal that was problematic in its exclusivity as well as an entrance to forgotten works It shows how the concept of the New Woman can be seen in newly complex ways when viewed through the writings of authors whose lives often embody the New Woman s emancipatory goals

and whose fictions both affirm and complicate her aspirations *The Jersey Bulletin and Dairy World* ,1921 *Marriage Equality* William N. Eskridge, Jr., Christopher R. Riano, 2020-08-18 The definitive history of the marriage equality debate in the United States praised by Library Journal as beautifully and accessibly written An essential work As a legal scholar who first argued in the early 1990s for a right to gay marriage William N Eskridge Jr has been on the front lines of the debate over same sex marriage for decades In this book Eskridge and his coauthor Christopher R Riano offer a panoramic and definitive history of America s marriage equality debate The authors explore the deeply religious rabidly political frequently administrative and pervasively constitutional features of the debate and consider all angles of its dramatic history While giving a full account of the legal and political issues the authors never lose sight of the personal stories of the people involved or of the central place the right to marry holds in a person s ability to enjoy the dignity of full citizenship This is not a triumphalist or one sided book but a thoughtful history of how the nation wrestled with an important question of moral and legal equality *Jersey Bulletin and Dairy Word* ,1915 **Spare Rib** ,1980 *The Country Gentleman* ,1905 The Farmer's Magazine and Kentucky Live-stock Monthly ...
